PAYMENT-IN-LIEU-OF-TAX AGREEMENT

THIS PAYMENT-IN-LIEU-OF-TAX AGREEMENT, dated as of June 1, 2009, is by and among **BROAD STREET WAREHOUSE, LLC**, a limited liability company duly organized and validly existing under the laws of the State of New York, having an address of 2 Wurz Avenue, Yorkville, NY 13495 (the "Company"); **ORISKANY MANUFACTURING, LLC**, a limited liability company duly organized and validly existing under the laws of the State of New York, having an address of 2 Wurz Avenue, Yorkville, NY 13495 (the "Sublessee") and **ONEIDA COUNTY INDUSTRIAL DEVELOPMENT AGENCY**, an industrial development agency and a public benefit corporation of the State of New York having its principal office at 153 Brooks Road, Rome, New York 13441-4105 (the "Agency").

WITNESSETH:

WHEREAS, the Agency is authorized and empowered by the provisions of Title I of Article 18-A of the General Municipal Law, Chapter 99 of the Consolidated Laws of New York, as amended, (the "Enabling Act"), and Chapter 372 of the Laws of 1970 of the State of New York, as amended, constituting Section 901 of said General Municipal Law (said Chapter and the Enabling Act being hereinafter collectively referred to as the "Act") to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of, among others, industrial facilities for the purpose of promoting, attracting and developing economically sound commerce and industry in order to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York, to improve their prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, the Company desires to acquire a 5.63± acre parcel of land located at 2 Wurz Avenue in the Town of Whitestown, Town of New Hartford and Village of New York Mills, Oneida County, New York (the "Land") and the existing 34,000± square foot building situated thereon (the "Building"); construct a 30,000± square foot, light industrial, pre-engineered metal building to be attached to the Building (the "Addition") (the Building and the Addition referred to collectively as the "Improvements") and the acquire and install equipment therein (the "Equipment") (the Land, the Improvements and the Equipment being collectively referred to as the "Facility"), all to be used by the Company in connection with the manufacture and distribution of mass transit vehicle parts and components; and

WHEREAS, in order to induce the Company to develop the Facility, the Agency is willing to accept a leasehold interest in the Facility pursuant to a Lease Agreement dated as of June 1, 2009 (the "Lease Agreement") and lease the Facility back to the Company pursuant to the terms and conditions contained in a Leaseback Agreement dated as of June 1, 2009 (the "Leaseback Agreement"); and

WHEREAS, the Company intends to sublease the Facility to the Sublessee for its operation pursuant to a Sublease Agreement dated of even date herewith (the "Sublease Agreement"); and

WHEREAS, the Agency has agreed to accept a leasehold interest to the Facility in order to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York; and

WHEREAS, the Facility is exempt from real property taxes, general property taxes, general school district taxes, general assessments, service charges or other governmental charges of a similar nature levied and/or assessed upon the Facility or the interest therein of the Company or the occupancy thereof by the Company commencing March 1, 2010, the taxable status date, (the "Exempt Taxes"), because the Agency has a leasehold interest in the Facility and the Facility is used for a purpose within the meaning of the applicable Constitutional and statutory provisions, including the Enabling Act, provided, however, such exemption does not extend to special assessments or ad valorem levies; and

WHEREAS, the Company understands that it, as lessee of the Facility leased by the Agency, will, in fact, have Exempt Taxes to pay under the provisions of the Leaseback Agreement from the first date of the Exemption Term (as that date is determined by the parties and described herein) through the term of the Leaseback Agreement (the "Exemption Term"); and

WHEREAS, each year of the Exemption Term is more particularly set forth on Schedule B attached hereto (each year being referred to as an "Exemption Year"); and

WHEREAS, the Sublease Agreement states in part that the Sublessee will have the obligation to pay all taxes and/or payments-in-lieu-of-taxes assessed to the Company with respect to the Facility; and

WHEREAS, the Agency, the Company and the Sublessee deem it necessary and proper to enter into an agreement making provision for payments-in-lieu-of-taxes and such assessments by the Company and/or the Sublessee to the Town of Whitestown, the Town of New Hartford and the Village of New York Mills, or any existing incorporated village or any village which may be incorporated after the date hereof, within which the Facility is or may be, wholly or partially located, Oneida County, New York Mills Union Free School District and appropriate special districts (hereinafter each a "Taxing Authority" and collectively the "Taxing Authorities") in which any part of the Facility is or is to be located; and

WHEREAS, the PILOT Payments (as defined below) represent a deviation from the Agency's Uniform Tax Exemption Policy (the "Policy"); and

WHEREAS, pursuant to Section 874 of the Act, the Agency sent a notice to the chief executive officer of each Taxing Authority providing a description of the PILOT Payments, the Agency's reasons for deviating from the Policy as well as the time and location of the meeting during which the Agency would consider a resolution approving the deviation from its Policy and the PILOT Payments; and

WHEREAS, all defined terms herein as indicated by the capitalization of the first letter thereof and not otherwise defined herein shall have the meanings ascribed to such terms as set forth in the Leaseback Agreement.

NOW, THEREFORE, to provide for certain payments to the Taxing Authorities, and for other good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereto agree as follows:

1. The Company and/or the Sublessee shall pay to each Taxing Authority:

(a) all taxes that are due with respect to the Facility prior to the Exemption Term, no later than the last day during which such payments may be made without penalty; and

(b) all special assessments and ad valorem taxes coming due and payable during the term of the Leaseback Agreement and the Leaseback Agreement for which the Facility is not exempt, no later than the last day during which such payments may be made without penalty.

2. (a) The Company and/or the Sublessee shall pay to each Taxing Authority as set forth on Schedule A attached hereto and made a part hereof an amount in lieu of the Exempt Taxes (the "PILOT Payments") during each Exemption Year as follows:

(a) one hundred percent of such taxes from the first through and including the tenth Exemption Year;

(b) two-thirds of such taxes from the eleventh through and including the fifteenth Exemption Year only with respect to the incremental assessment resulting from the construction of the Addition; and

(c) one-third of such taxes from the sixteenth through and including the twentieth Exemption Year only with respect to the incremental assessment resulting from the construction of the Addition.

The parties acknowledge that the schedule of PILOT Payments set forth herein is based upon the understanding that the Sublessee is receiving certain benefits under the New York State Empire Zone program that are scheduled to terminate after the tenth Exemption Year. In the event said benefits terminate sooner than anticipated, the parties shall amend this PILOT Agreement to provide for the Exempt Taxes set forth in Section 2(b) herein to commence upon the following year that the Empire Zone benefits terminate. Anything herein to the contrary, notwithstanding, this Agreement shall terminate on the date on which the Leaseback Agreement shall terminate and the Agency shall terminate its leasehold interest in the Facility pursuant to the Leaseback Agreement.

Anything herein to the contrary, notwithstanding, upon the failure of the Company and/or the Sublessee in making any payment when due hereunder and upon failure to cure such default within thirty (30) days of receipt of notice as herein provided, the Company and/or the Sublessee shall henceforth pay as PILOT Payments one hundred (100%) percent of the Exempt Taxes together with interest at the rate of nine (9%) percent per annum on any delinquent PILOT Payments together with expenses of collection, including but not limited to, payment of attorneys' fees; provided, however, nothing herein contained shall be deemed to limit any other rights and remedies the Agency may have hereunder or under any other Transaction Document.

3. The Company and/or the Sublessee will make PILOT Payments to each Taxing Authority hereunder for each Exemption Year by making the required payment to such Taxing Authority

no later than the last day during which such Exempt Taxes could otherwise be made without penalty as if the Agency did not have a leasehold or other interest in the Facility.

4. The PILOT Payments to be made by the Company and/or the Sublessee pursuant to this Agreement are intended to be in lieu of all Exempt Taxes that would have to be paid on the Facility leased to the Company by the Leaseback Agreement if the Agency did not have a leasehold or other interest in the Facility.

5. If by reason of a change in the Constitution or laws of the State of New York, or an interpretation of the Constitution or the laws of the State of New York by the Court of Appeals (or such lower court from which the time to appeal has expired) of the State of New York, or for any other reason, the Company and/or the Sublessee is required to pay any tax which the payments specified herein are intended to be in lieu of, the Company and/or the Sublessee may deduct the aggregate of any such payments made by it from the amount herein agreed to be paid in lieu of such taxes and need only pay the difference. Furthermore, inasmuch as the PILOT Payments herein agreed to be made by the Company and/or the Sublessee are intended to be in lieu of all Exempt Taxes, it is agreed that said payments shall not, as to any Exemption Year, be in an amount greater than would be payable for such year for such Exempt Taxes, in the aggregate, by a private corporation on account of its ownership of the Facility.

6. This Agreement shall be binding upon the successors and assigns of the parties.

7. It is the intent of the parties that the Company and/or the Sublessee will have all the rights and remedies of a taxpayer with respect to any real property or other tax, service charge, special benefit, ad valorem levy, assessment or special assessment or service charge because of which, or in lieu of which, the Company and/or the Sublessee is obligated to make a payment hereunder, as if and to the same extent as if the Agency did not have a leasehold or other interest in the Facility. It is the further intent of the parties that the Company and/or the Sublessee will have all of the rights and remedies of a taxpayer as if and to the same extent as if the Agency did not have a leasehold or other interest in the Facility with respect to any proposed assessment or change in assessment concerning the property, or any portion thereof, whether through an assessor, board of assessment review, court of law, or otherwise and likewise will be entitled to protest before and be heard by such assessor, board of assessment review, court of law or otherwise and will be entitled to take any and all appropriate appeals or initiate any proceedings to review the validity or amount of any assessment or the validity or amount of any taxes that would have been payable but for the provisions hereof. In the event, however, that a court of competent jurisdiction shall enter an order or judgment determining or declaring that, by reason of the Agency's interest in the Facility, the Company and/or the Sublessee does not have the right to bring a proceeding to review such assessment under the Real Property Tax Law or any other law, then the Company and/or the Sublessee shall have the right to contest such assessment in the name and as the agent of the Agency, and the Agency agrees to cooperate with the Company and/or the Sublessee in all respects in any such proceeding at the sole cost and expense of the Company and/or the Sublessee.

8. All amounts payable by the Company and/or the Sublessee hereunder will be paid to the respective Taxing Authority and will be payable in such lawful money of the United States of America as at the time of payment is legal tender for the payment of public and private debts, including a check payable in such money.

9. (a) If any term or provision hereof should be for any reason held or adjudged to be invalid, illegal or unenforceable by any court of competent jurisdiction, such term or provision

will be deemed separate and independent and the remainder hereof will remain in full force and effect and will not be invalidated, impaired or otherwise affected by such holding or adjudication.

(b) This Agreement may not be effectively amended, changed, modified, altered or terminated except by an instrument in writing executed by the parties hereto.

(c) All notices, certificates or other communications hereunder shall be in writing and shall be sufficiently given and shall be deemed given when mailed by United States registered or certified mail, postage prepaid, return receipt requested, to the Agency, the Company or the Sublessee, as the case may be, addressed as follows:
