## NYS SEQRA Environmental Review

- The applicant must complete, sign and return to the IDA **either** the Short Form Environmental Assessment Form (SEAF) **or** the Full Environmental Assessment Form (FEAF). See the NYS DEC website for the most current versions of these documents.

<https://www.dec.ny.gov/permits/6191.html>

- To determine which EAF form is appropriate for the project, the applicant should consult with its engineer or legal counsel.
- It is the IDA's strong preference that the municipality that governs the jurisdiction where the project is located (e.g., a Planning Board, Zoning Board or other supervisory board) serve as lead agency for the SEQR review.
- In limited cases, the IDA will act as lead agency, but it may lead to additional cost to the applicant if a review is required to make a determination of environmental impact.
- If another public body is serving as lead agency for the SEQR review the applicant should provide the IDA with a signed Part 2 (and Part 3 if using the Long Form) and any minutes of meetings that detail the lead agency's determination.
- The IDA cannot grant any financial assistance until the SEQR review process is complete.

## Agency Fee Schedule

Commitment Fee: \$1,000 – due following the initial inducement but prior to scheduling of the public hearing; this amount is non-refundable if the applicant fails to close on the project before the IDA. Upon closing with the IDA this amount is applied to the closing fees.

Bond Fees:                    ½ of 1% of total bond amount

### IDA Agency Fee: PILOT, Mortgage Recording Exemption, Sales Tax Exemption:

- Up to a \$1.0 Million project - \$5,000
- Above \$1.0 Million project up to \$10.0 Million project – ½ of 1% of total project cost.
- Above \$10.0 Million project – ½ of 1% of total project cost up to \$10.0 Million plus incremental increase of ¼ of 1% of total project above \$10.0 Million.
- Any previously induced solar or renewable energy projects that have not yet proceeded to a final authorizing resolution, and are asking for an increase in benefits, will be subject to an Agency fee of one and one-half times the Agency's normal fee.

### Transaction Counsel/Agency Counsel fee:

Set by Bond/Transaction Counsel based upon the nature and complexity of the transaction. This applies to bond and non-bond transactions (leasebacks, sale-leasebacks, etc).

Transaction Counsel/Agency Counsel fees for bond transactions typically will not exceed 2% of the bond amount or project costs. Transaction Counsel/Agency Counsel fees for a sale-leaseback/lease-leaseback transaction are typically \$8,500 to \$10,000 if no commercial financing is involved or \$10,000 to \$12,000 if commercial financing is involved. You will receive an engagement letter with a quote based upon the scope of your project.

### Annual Fee:

For the term in which the property remains in the IDA's name, an annual lease payment is due in the amount of \$750. The first payment is due at closing and subsequent payments are due each January 1. For annual fees not paid and delinquent, a late charge of \$50 per month will be levied until such time the fee plus late charges are paid.

### Other fees:

If Applicant requests the IDA enter into subsequent transactions following closing (i.e., a facility refinance), the IDA will charge a closing fee equal to 1/8 of one percent of the total reissuance, redemption, new or revised mortgage, refinancing, spreading agreement or other transaction with a minimum payment due of \$500. Applicant will also be responsible to pay any legal fees and any bank or financial institution fees the IDA incurs in connection with said transaction, throughout the term of the Agency's involvement with the facility.
