## AGREEMENT

NOW THEREFORE, for and in consideration of the premises and the mutual covenants hereinafter contained, and other good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, the parties hereby formally covenant, agree and bind themselves as follows:

### Section 1.1 Representations and Covenants of Agency.

The Agency makes the following representations and covenants as the basis for the undertakings on its part herein contained:

(a) The Agency is duly established and validly existing under the provisions of the Act and has full legal right, power and authority to execute, deliver, and perform each of the Agency Documents and the other documents contemplated thereby. Each of the Agency Documents and the other documents contemplated thereby has been duly authorized, executed and delivered by the Agency.

(b) The Agency will maintain its leasehold interest in the Land and Improvements, acquire a leasehold interest in the Equipment, lease the Facility to the Company

pursuant to this First Amended and Restated Leaseback Agreement and designate the Sublessee as its agent for purposes of the Project, all for the purpose of promoting the industry, health, welfare, convenience and prosperity of the inhabitants of the State and the County of Oneida and improving their standard of living.

(c) By resolution adopted on April 24, 2020, the Agency determined that, based upon the review by the Agency of the materials submitted and the representations made by the Company relating to the Facility, the Facility would not have a "significant impact" or "significant effect" on the environment within the meaning of the SEQRA Act.

(d) Neither the execution and delivery of any of the Agency Documents and the other documents contemplated thereby nor the consummation of the transactions contemplated thereby nor the fulfillment of or compliance with the provisions of any of the Agency Documents and the other documents contemplated thereby, will conflict with or result in a breach of or constitute a default under any of the terms, conditions or provisions of the Act, any other law or ordinance of the State or any political subdivision thereof or of the Agency's Certificate of Establishment or Bylaws, as amended, or of any corporate restriction or any agreement or instrument to which the Agency is a party or by which it is bound, or result in the creation or imposition of any Lien of any nature upon any of the Property of the Agency under the terms of the Act or any such law, ordinance, Certificate of Establishment, Bylaws, restriction, agreement or instrument.

(e) Each of the Agency Documents and the other documents contemplated thereby constitutes a legal, valid and binding obligation of the Agency enforceable against the Agency in accordance with its terms.

(f) The Agency has been induced to enter into this First Amended and Restated Leaseback Agreement by the undertaking of the Company to acquire, renovate, equip, maintain and repair the Facility and create or retain related jobs in Oneida County, New York.

#### Section 1.2 Representations and Covenants of Company.

The Company makes the following representations and covenants as the basis for the undertakings on its part herein contained:

(a) The Company is a corporation duly organized and validly existing under the laws of the State of New York, and has full legal right, power and authority to execute, deliver and perform each of the Company Documents and the other documents contemplated thereby. Each of the Company Documents and the other documents contemplated thereby has been duly authorized, executed and delivered by the Company and each constitutes a legal, valid and binding obligation of the Company enforceable against the Company in accordance with its respective terms.

(b) Neither the execution and delivery of any of the Company Documents and the other documents contemplated thereby nor the consummation of the transactions contemplated thereby nor the fulfillment of or compliance with the provisions of any of the

Company Documents and the other documents contemplated thereby, will conflict with or result in a breach of or constitute a default under any of the terms, conditions or provisions of the certificate of incorporation of the Company, the bylaws of the Company, any law or ordinance of the State or any political subdivision thereof, or any restriction or any agreement or instrument to which the Company is a party or by which it is bound, or result in the creation or imposition of any Lien of any nature upon any of the Property of the Company under the terms of any such law, ordinance, restriction, agreement or instrument.

(c) The providing of the Facility by the Agency and the leasing thereof by the Agency to the Company will not result in the removal of an industrial or manufacturing plant, facility or other commercial activity of the Company from one area of the State to another area of the State nor result in the abandonment of one or more commercial or manufacturing plants or facilities of the Company located within the State; and the Agency has found that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries.

(d) The Facility and the design, construction, renovation, equipping and operation thereof will conform with all applicable zoning, planning, building and environmental laws, ordinances, rules and regulations of governmental authorities having jurisdiction over the Facility. The Company shall defend, indemnify and hold harmless the Agency for expenses, including attorneys' fees, resulting from any failure of the Company to comply with the provisions of this subsection (d).

(e) The Company has caused to be transferred to the Agency a leasehold interest in all those properties and assets contemplated by this First Amended and Restated Leaseback Agreement and all documents related hereto, and has not transferred to the Agency any properties and assets not contemplated by this First Amended and Restated Leaseback Agreement.

(f) There is no action, litigation, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body, pending, or, to the knowledge of the Company, threatened against or affecting the Company, to which the Company is a party, and in which an adverse result would in any way diminish or adversely impact on the Company's ability to fulfill its obligations under this First Amended and Restated Leaseback Agreement or any of Company Documents or the transactions contemplated therein.

(g) The Company covenants that the Facility will comply in all respects with all environmental laws and regulations and, except in compliance with environmental laws and regulations, (i) that no pollutants, contaminants, solid wastes, or toxic or hazardous substances will be stored, treated, generated, disposed of, or allowed to exist on the Facility except in compliance with all material applicable laws, (ii) the Company will take all reasonable and prudent steps to prevent an unlawful release of hazardous substances onto the Facility or onto any other property, (iii) that no asbestos will be incorporated into or disposed of on the Facility,

(iv) that no underground storage tanks will be located on the Facility, and (v) that no investigation, order, agreement, notice, demand or settlement with respect to any of the above is threatened, anticipated or in existence. The Company upon receiving any information or notice contrary to the representations contained in this Section shall immediately notify the Agency in writing with full details regarding the same. The Company hereby releases the Agency from liability with respect to, and agrees to defend, indemnify, and hold harmless the Agency, its executive director, directors, members, officers, employees, agents (except the Company), representatives, successors and assigns from and against any and all claims, demands, damages, costs, orders, liabilities, penalties and expenses (including reasonable attorneys' fees) related in any way to any violation of the covenants or failure to be accurate of the representations contained in this Section. In the event the Agency in its reasonable discretion deems it necessary to perform due diligence with respect to any of the above, or to have an environmental audit performed with respect to the Facility, the Company agrees to pay the expenses of same to the Agency upon demand, and agrees that upon failure to do so, its obligation for such expense shall be deemed to be additional rent.

(h) In the Sublessee's Application for Financial Assistance dated April 20, 2020, it was projected that, as a result of the Project, the Company will create (or cause the Sublessee to create) 3 full time equivalent positions at the Facility prior to the conclusion of the third year of the Lease Term, retain (or cause the Sublessee to retain) the existing 152 full time equivalent positions at the Facility and maintain all for the duration of the Lease Term as a result of undertaking the Facility (the "Employment Obligation"). The Company acknowledges that the financial assistance granted by the Agency in connection with the Facility is conditioned upon achieving the Employment Obligation.

(b) With the written consent of the Agency, which shall not be unreasonably withheld, the Company at its own expense from time to time may make any structural additions, modifications or improvements to the Facility or any part thereof, provided such actions do not adversely affect the structural integrity of the Facility. All such additions, modifications or improvements made by the Company shall become a part of the Facility and the Property of the Agency; provided, however, the Company shall not be qualified for a sales and use tax

(b) The Company, at its own expense and in its own name and on behalf of or in the name of the Agency but with notice to the Agency, may in good faith contest any such taxes, assessments and other charges. In the event of any such proceedings, the Company may permit the taxes, assessments or other charges so contested to remain unpaid during the

period of such proceedings and any appeal therefrom, provided, however, that (i) neither the Facility nor any part thereof or interest therein would be in any immediate danger of being sold, forfeited or lost by reason of such proceedings and (ii) the Company shall have set aside on its books adequate reserves with respect thereto and shall have furnished such security, if any, as may be required in such proceedings or requested by the Agency.

(c) The Agency agrees that if it or the Company contests any taxes, assessments or other charges provided for in paragraph (b) hereof, all sums returned, as a result thereof, will be promptly transmitted by the Agency to the Company and that the Company shall be entitled to retain all such amounts.

(a) The Company, throughout the Lease Term, agrees that it will promptly comply, and cause any sublessee or occupant of the Facility to comply, with all statutes, codes, laws, acts, ordinances, orders, judgments, authorizations, directions and requirements, ordinary or extraordinary, which now or at any time hereafter may be applicable to the Facility or any part thereof or to the acquisition, renovation and equipping thereof, or to any use, manner of use or condition of the Facility or any part thereof, of all federal, state, county, municipal and other governments, departments, commissions, boards, courts, authorities, officials and officers and companies or associations insuring the premises having jurisdiction of the Facility or any part thereof, or to the acquisition, construction, renovation and equipping thereof, or to any use, manner of use or condition of the Facility or any part thereof.

(b) The Company shall renovate, equip, use, operate and manage the Facility, in accordance with all applicable Environmental Laws and Environmental Permits (as such terms are defined in the Environmental Compliance and Indemnification Agreement), and shall cause all operators, tenants, subtenants, licensees and occupants of the Facility to renovate, equip, use, operate and manage the Facility in accordance with any applicable Environmental Laws and Environmental Permits, and shall not cause, allow or permit the Facility or any part thereof to be operated or used for the storage, treatment, generation, transportation, processing, handling, production, management or disposal of any Hazardous Substances other than in accordance with all applicable Environmental Laws and Environmental Permits. The Company shall obtain and comply with, and shall cause all contractors, subcontractors, operators, tenants, subtenants, licensees and occupants of the Facility to obtain and comply with, all Environmental Permits. The Company shall not cause or permit any change to be made in the present or intended renovation, equipping, use or operation of the Facility which would (i) involve the storage, treatment, generation, transportation, processing, handling, management, production or disposal of any Hazardous Substance other than in accordance with any applicable Environmental Law, or the renovation, equipping, use or

operation of the Facility as a landfill or waste management or disposal site or for manufacturing or industrial purposes or for the storage of petroleum or petroleum based products other than in accordance with any applicable Environmental Law, (ii) violate any applicable Environmental Laws, (iii) constitute a violation or non-compliance with any Environmental Permit or (iv) increase the risk of a Release of any Hazardous Substance (as such terms are defined in the Environmental Compliance and Indemnification Agreement). The Company shall promptly provide the Agency with a copy of all notifications which the Company gives or receives with respect to environmental conditions at or in the vicinity of the Facility, any past or present Release or the threat of a Release of any Hazardous Substance on, at or from the Facility or any property adjacent to or within the immediate vicinity of the Facility. If the Company receives or becomes aware of any such notification that is not in writing or otherwise capable of being copied, the Company shall promptly advise the Agency of such verbal, telephonic or electronic notification and confirm such notice in writing. The Company shall undertake and complete all investigations, studies, sampling and testing and all removal or remedial actions necessary to contain, remove and clean up all Hazardous Substances that are or may become present at the Facility and are required to be removed and/or remediated in accordance with all applicable Environmental Laws and all Environmental Permits. The Company shall allow the Agency, its officers, members, employees, agents, representatives, contractors and subcontractors reasonable access to the Facility during regular business hours of the Company for the purposes of ascertaining the environmental conditions at, on or in the vicinity of the Facility, including, but not limited to, subsurface conditions. If at any time the Agency obtains any notice or information that the Company or the Facility or the construction, renovation, equipping, use or operation of the Facility may be in violation of an Environmental Law or in non-compliance with any Environmental Permit or standard, the Agency may require that a full or supplemental environmental inspection and audit report with respect to the Facility of a scope and level of detail reasonably satisfactory to the Agency be prepared by a professional environmental engineer or other qualified environmental scientist acceptable to the Agency, at the Company's sole cost and expense. Said audit may, but is not required to or limited to, include a physical inspection of the Facility, a records search, a visual inspection of any property adjacent to or within the immediate vicinity of the Facility, personnel interviews, review of all Environmental Permits and the conduct of a scientific testing. If necessary to determine whether a violation of an Environmental Law exists, such inspection shall also include subsurface testing for the presence of Hazardous Substances in the soil, subsoil, bedrock, surface water and/or groundwater. If said audit report indicates the presence of any Hazardous Substance or a Release or Disposal (as such terms are defined in the Environmental Compliance and Indemnification Agreement) or the threat of a Release or Disposal of any Hazardous Substance on, at or from the Facility, the Company shall promptly undertake and diligently pursue to completion all necessary, appropriate investigative, containment, removal, clean up and other remedial actions required by any Environmental Law, using methods recommended by the professional engineer or other environmental scientist who prepared said audit report and acceptable to the appropriate federal, state and local agencies or authorities. For purposes of this Section, "Hazardous Materials" includes, without limitation, any flammable explosives, radioactive materials, hazardous materials, hazardous wastes, hazardous or toxic substances, or related materials defined in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (42 U.S.C. Sections 9601, et seq.), the Superfund Amendments and Reauthorization Act of 1986 (Pub.L. No. 99-499, 100 stat. 1613 (1986), the

Hazardous Materials Transportation Act, as amended (49 U.S.C. Sections 1801, et seq.), and in the regulations adopted and publications promulgated pursuant thereto, or any other federal, state or local environmental law, ordinance, rule, or regulation. The provisions of this Section shall be in addition to any and all other obligations and liabilities the Company may have to the Agency at common law or otherwise, and shall survive the transactions contemplated herein.

(c) The Company hereby covenants and agrees, at its sole cost and expense, to indemnify, protect, defend, save and hold harmless the Agency, its officers, directors, members, employees, agents and representatives acting in their official capacity, from and against any and all damages, losses, liabilities, obligations, penalties, claims, litigation, demands, defenses, judgments, suits, actions, proceedings, costs, disbursements or expenses (including, without limitation, attorneys' and experts' fees, expenses and disbursements, and attorneys' fees incurred to enforce the terms, conditions and provisions of this agreement) of any kind or nature whatsoever which may at any time be imposed upon, incurred by or asserted or awarded against the Agency, its officers, members, employees, agents (except the Company), representatives, contractors and subcontractors relating to, resulting from or arising out of (i) the environmental conditions at, on or in the vicinity of the Facility, (ii) the acquisition, renovation, equipping, operation or use of the Facility in violation of any applicable Environmental Law for the storage, treatment, generation, transportation, processing, handling, management, production or disposal of any Hazardous Substance or as a landfill or other waste disposal site, or for military, manufacturing or industrial purposes or for the commercial storage of petroleum or petroleum based products, (iii) the presence of any Hazardous Substance or a Release or Disposal or the threat of a Release or Disposal of any Hazardous Substance or waste on, at or from the Facility, (iv) the failure to promptly undertake and diligently pursue to completion all necessary, appropriate and legally authorized investigative, containment, removal, clean up and other remedial actions with respect to a Release or the threat of a Release of any Hazardous Substance on, at or from the Facility, required by any Environmental Law, (v) human exposure to any Hazardous Substance, noises, vibrations or nuisances of whatever kind to the extent the same arise from the condition of the Facility or the acquisition, renovation, equipping, ownership, use, sale, operation, conveyance or operation thereof in violation of any Environmental Law, (vi) a violation of any applicable Environmental Law, (vii) non-compliance with any Environmental Permit or (viii) a material misrepresentation or inaccuracy in any representation or warranty or a material breach of or failure to perform any covenant made by the Company in the Environmental Compliance and Indemnification Agreement (collectively, the "Indemnified Matters").

(d) Notwithstanding the provisions of subsections (a), (b) and (c) hereof, the Company may in good faith contest the validity or the applicability of any requirement of the nature referred to in such subsections (a) and (b) by appropriate legal proceedings conducted in good faith and with due diligence. In such event, the Company may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom, unless the Agency shall notify the Company that by failure to comply with such requirement or requirements, the Facility or any part thereof may be subject to loss, penalty or forfeiture, in which event the Company shall promptly take such action with respect thereto or provide such security as shall be satisfactory to the Agency. If at any time the then existing use or occupancy of the Facility shall, pursuant to any zoning or other law, ordinance or regulation,

be permitted only so long as such use or occupancy shall continue, the Company shall use its best efforts to not cause or permit such use or occupancy to be discontinued without the prior written consent of the Agency.

(e) Notwithstanding the provisions of this Section 5.8, if, because of a breach or violation of the provisions of subsections (a), (b) or (c) hereof (without giving effect to subsection (d) hereof), the Agency or any of its members, directors, officers, agents, or employees, shall be threatened with a fine, liability, expense or imprisonment, then, upon notice from the Agency, the Company shall immediately provide legal protection and/or pay amounts necessary in the opinion of the Agency and its members, directors, officers, agents and employees deem sufficient, to the extent permitted by applicable law, to remove the threat of such fine, liability, expense or imprisonment.

(f) Notwithstanding any provisions of this Section, the Agency retains the right to defend itself in any action or actions which are based upon or in any way related to such Hazardous Materials and Hazardous Substances. In any such defense of itself, the Agency shall select its own counsel, and any and all costs of such defense, including, without limitation, attorney and consultant fees, investigation and laboratory fees, court costs, and litigation expenses, shall be paid by the Company.

#### Section 5.9 Discharge of Liens and Encumbrances.

(a) The Company, throughout the Lease Term, shall not permit or create or suffer to be permitted or created any Lien, except for Permitted Encumbrances, upon the Facility or any part thereof by reason of any labor, services or materials rendered or supplied or claimed to be rendered or supplied with respect to the Facility or any part thereof.

(b) Notwithstanding the provisions of subsection (a) hereof, the Company may in good faith contest any such Lien. In such event, the Company may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom, unless the Agency shall notify the Company that by nonpayment of any such item or items, the Facility or any part thereof may be subject to loss or forfeiture, in which event the Company shall promptly secure payment of all such unpaid items by filing a bond, in form and substance satisfactory to the Agency, thereby causing such Lien to be removed or by taking such other actions as may be satisfactory to the Agency to protect their respective interests. Mechanics' Liens shall be discharged or bonded within thirty (30) days of the filing or perfection thereof.

#### Section 5.10 Depreciation Deductions and Investment Tax Credit.

The parties agree that, as between them, the Company shall be entitled to all depreciation deductions with respect to any depreciable property comprising a part of the Facility and to any investment credit with respect to any part of the Facility.

#### Section 5.11 Employment Opportunities, Notice of Jobs.

The Company covenants and agrees that, in consideration of the participation of the Agency in the transactions contemplated herein, it will, except as otherwise provided by collective bargaining contracts or agreements to which it is a party, cause any new employment opportunities created in connection with the Facility to be listed with the New York State Department of Labor, Community Services Division and with the administrative entity of the service delivery area created pursuant to the Job Training Partnership Act (PL 97-300) in which the Facility is located (collectively the "Referral Agencies"). The following link may be used to post jobs with NYSDOL: <https://labor.ny.gov/businessservices/services/perm.shtm>. The following link may be used to determine the local administrative entity: <https://labor.ny.gov/career-center-locator/>. The Company also agrees that it will, except as otherwise provided by collective bargaining contracts or agreements to which it is a party, first consider for such new employment opportunities persons eligible to participate in federal job training partnership (PL 97-300) programs who shall be referred by the Referral Agencies.

Section 5.12 Limitation of Liability of the Agency.

The liability of the Agency to the Company under this First Amended and Restated Leaseback Agreement shall be enforceable only out of the Agency's interest under this First Amended and Restated Leaseback Agreement, and there shall be no other recourse against the Agency, its officers, members, agents and employees, past, present or future, or any of the property now or hereafter owned by it or them.

ARTICLE VI

RELEASE OF CERTAIN LAND; ASSIGNMENTS AND SUBLEASING;  
PLEDGE OF INTERESTS

Section 6.1 Restriction on Sale of Facility; Release of Certain Land.

(a) Except as otherwise specifically provided in this Article VI and in Article VII hereof, the Agency shall not sell, convey, transfer, encumber or otherwise dispose of the Facility or any part thereof or any of its rights under this First Amended and Restated Leaseback Agreement, without the prior written consent of the Company.

(b) The Agency and the Company from time to time may release from the provisions of this First Amended and Restated Leaseback Agreement and the leasehold estate created hereby any part of, or interest in, the Land which is not necessary, desirable or useful for the Facility. In such event, the Agency, at the Company's sole cost and expense, shall execute and deliver, any and all instruments necessary or appropriate to so release such part of, or interest in, the Land and convey such title thereto or interest therein to the Company or such other Person as the Company may designate.

(c) No conveyance of any part of, or interest in the Land affected under the provisions of this Section 6.1 shall entitle the Company to any abatement or diminution of the rents payable by it under this First Amended and Restated Leaseback Agreement.

Section 6.2 Removal of Equipment.

(a) The Agency shall not be under any obligation to remove, repair or replace any inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary item of Equipment. In any instance where the Company determines that any item of Equipment (except for the fixtures) has become inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, the Company with the prior written consent of the Agency (which consent may not be unreasonably withheld but may be subject to such conditions as the Agency may deem appropriate), may remove such items from the Facility and may sell, trade-in, exchange or otherwise dispose of the same, as a whole or in part, provided that such removal will not materially impair the operation of the Facility for the purpose for which it is intended or change the nature of the Facility so that it does not constitute a "project" under the Act.

(b) The Agency shall execute and deliver to the Company all instruments necessary or appropriate to enable the Company to sell or otherwise dispose of any such item of Equipment. The Company shall pay any costs (including counsel fees) incurred in transferring title to any item of Equipment removed pursuant to this Section 6.2.

(c) The removal of any item of Equipment pursuant to this Section shall not entitle the Company to any abatement or diminution of the rents payable by it under this First Amended and Restated Leaseback Agreement.

Section 6.3 Assignment and Subleasing.

(a) This First Amended and Restated Leaseback Agreement may not be assigned, in whole or in part, and the Facility may not be subleased, in whole or in part, without the prior written consent of the Agency in each instance, except to the Sublessee under the Sublease Agreement. A transfer in excess of 50% of the equity voting interests of the Company shall be deemed an assignment and require the prior written consent of the Agency. Any assignment or sublease shall be on the following conditions, as of the time of such assignment or sublease:

(i) no assignment or sublease shall relieve the Company from primary liability for any of its obligations hereunder;

(ii) the assignee or sublessee shall assume the obligations of the Company hereunder to the extent of the interest assigned or subleased;

(iii) the Company shall, within (10) days after the delivery thereof, furnish or cause to be furnished to the Agency a true and complete copy of such assignment or sublease and the instrument of assumption;

(iv) neither the validity nor the enforceability of the First Amended and Restated Leaseback Agreement shall be adversely affected thereby; and

(v) the Facility shall continue to constitute a "project" as such quoted term is defined in the Act.

(b) If the Agency shall so request, as of the purported effective date of any assignment or sublease pursuant to subsection (a) of this Section 6.3, the Company at its cost shall furnish the Agency, with an opinion, in form and substance satisfactory to the Agency, (i) of Transaction Counsel as to item (v) above, and (ii) of Independent Counsel as to item (iv) above.

Section 6.4 Pledge of Agency's Interests to Bank. The Agency may be requested to mortgage, pledge and assign its rights to and interest in this First Amended and Restated Leaseback Agreement and in all amounts payable by the Company pursuant to Section 2.3 hereof and all other provisions of this First Amended and Restated Leaseback Agreement (other than Unassigned Rights), to a lending institution. The Agency shall not unreasonably withhold its consent to such mortgage, pledge and assignment. Notwithstanding the foregoing, all indemnities herein contained shall subsequent to such pledge and assignment continue to run to the Agency for its benefit.

#### Section 6.5 Merger of Agency.

(a) Nothing contained in this First Amended and Restated Leaseback Agreement shall prevent the consolidation of the Agency with, or merger of the Agency into, or transfer of title to the entire Facility to any other public benefit corporation or political subdivision which has the legal authority to own and lease the Facility, provided that upon any such consolidation, merger or transfer, the due and punctual performance and observance of all the agreements and conditions of this First Amended and Restated Leaseback Agreement to be kept and performed by the Agency shall be expressly assumed in writing by the public benefit corporation or political subdivision resulting from such consolidation or surviving such merger or to which the Facility shall be transferred.

(b) Within thirty (30) days after the consummation of any such consolidation, merger or transfer of title, the Agency shall give notice thereof in reasonable detail to the Company and shall furnish to the Company, at the sole cost and expense of the Company, a favorable opinion of Independent Counsel as to compliance with the provisions of Section 6.6(a) hereof. The Agency promptly shall furnish such additional information with respect to any such transaction as the Company may reasonably request.

- (v) the failure by the Company to release, stay, discharge, lift or bond within thirty (30) days any execution, garnishment, judgment or attachment of such consequence as may impair its ability to carry on its operations; or the failure by the Company generally to pay its debts as they become due; or an assignment by the Company for the benefit of creditors; the commencement by the Company (as the debtor) of a case in Bankruptcy or any proceeding under any other insolvency law; or the commencement of a case in Bankruptcy or any proceeding under any other insolvency law against the Company (as the debtor) and a court having jurisdiction in the premises enters a decree or order for relief against the Company as the debtor in such case or proceeding, or such case or proceeding is consented to by the Company or remains undismissed for forty (40) days, or the Company consents to or admits the material allegations against it in any such case or proceeding; or a trustee, receiver or agent (however named) is appointed or authorized to take charge of substantially all of the property of the Company for the purpose of enforcing a lien against such Property or for the purpose of general administration of such Property for the benefit of creditors;

- (viii) failure to maintain insurance as provided for in Section 3.4 and Section 3.5 herein.

(b) Notwithstanding the provisions of Section 7.1(a), if by reason of force majeure any party hereto shall be unable in whole or in part to carry out its obligations under Sections 2.2 and 3.1 of this First Amended and Restated Leaseback Agreement and if such party shall give notice and full particulars of such force majeure in writing to the other party, within a reasonable time after the occurrence of the event or cause relied upon, such obligations under this First Amended and Restated Leaseback Agreement of the party giving such notice (and only such obligations), so far as they are affected by such force majeure, shall be suspended during continuance of the inability, which shall include a reasonable time for the removal of the effect thereof. The term "force majeure" as used herein shall include, without limitation, acts of God, strikes, lockouts or other industrial disturbances, acts of public enemies, acts, priorities or orders of any kind of the government of the United States of America or of the State or any of their departments, agencies, governmental subdivisions, or officials, any civil or military authority, insurrections, riots, epidemics, landslides, lightning, earthquakes, fire, hurricanes, storms, floods, washouts, droughts, arrests, restraint of government and people, civil disturbances, explosions, breakage or accident to machinery, transmission pipes or canals, shortages of labor or materials or delays of carriers, partial or entire failure of utilities, shortage of energy or any other cause or event not reasonably within the control of the party claiming such inability and not due to its fault. The party claiming such inability shall remove the cause for the same with all reasonable promptness. It is agreed that the settlement of strikes, lockouts and other industrial disturbances shall be entirely within the discretion of the party having difficulty, and the party having difficulty shall not be required to settle any strike, lockout and other industrial disturbances by acceding to the demands of the opposing party or parties.

#### Section 7.2 Remedies on Default.

(a) Whenever any Event of Default shall have occurred, the Agency may take, to the extent permitted by law, any one or more of the following remedial steps:

(i) declare, by written notice to the Company, to be immediately due and payable, whereupon the same shall become immediately due and payable: (A) all unpaid installments of rent payable pursuant to Section 2.6(a) and (b) hereof and (B) all other payments due under this First Amended and Restated Leaseback Agreement; provided, however, that if an Event of Default specified in Section 7.1(a)(v) hereof shall have occurred, such installments of rent and other payments due under this First Amended and Restated Leaseback Agreement shall become immediately due and payable without notice to the Company or the taking of any other action by the Agency;

(ii) terminate the leasehold interest in the Facility and terminate the First Amended and Restated PILOT Agreement. The Agency shall have the right to execute an appropriate termination of First Amended and Restated Leaseback Agreement with respect to the Facility and to place the same on record in the Oneida County Clerk's Office, at the expense of the Company, and in such event the Company waives delivery and acceptance of such termination of First Amended and Restated Leaseback Agreement. The Company does hereby appoint the Agency as its true and lawful agent to execute such instruments and

documents as may be necessary and appropriate to effectuate such termination as aforesaid. Such appointment of the Agency as the agent of the Company shall be deemed to be an agency coupled with an interest and such appointment shall be irrevocable;

(iii) exercise any remedy afforded the Agency under the Job Creation Agreement;

(iv) take any other action at law or in equity which may appear necessary or desirable to collect the payments then due or thereafter to become due hereunder, to secure possession of the Facility, and to enforce the obligations, agreements or covenants of the Company under this First Amended and Restated Leaseback Agreement.

(b) No action taken pursuant to this Section 7.2 shall relieve the Company from its obligation to make all payments required hereunder.

#### Section 7.3 Remedies Cumulative.

No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this First Amended and Restated Leaseback Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient.
