

## INDUCEMENT AGREEMENT AND PROJECT AGREEMENT

THIS INDUCEMENT AGREEMENT AND PROJECT AGREEMENT RELATING TO THE **ENGLER ELECTRIC, INC. FACILITY** (the "AGREEMENT") is between the **ONEIDA COUNTY INDUSTRIAL DEVELOPMENT AGENCY**, a public benefit corporation of the State of New York, with offices at 584 Phoenix Drive, Rome, New York 13441 (the "Agency"), and **ENGLER ELECTRIC, INC. FACILITY**, a corporation duly organized, validly existing and in good standing under the laws of the State of New York, with offices at 609 Columbia Street, Utica, New York 13502 (the "Company").

Article 1. Preliminary Statement. Among the matters of mutual inducement which have resulted in the execution of this AGREEMENT are the following:

1.01. The Agency is authorized and empowered by the provisions of Article 18-A of the General Municipal Law of the State of New York as amended, and Chapter 372 of the Laws of 1970 of the State of New York, as may be amended from time to time (collectively, the "Act") to undertake "Projects" (as defined in the Act) and to lease or sell the same upon such terms and conditions as the Agency may deem advisable.

1.02. The purposes of the Act are (i) to promote industry and develop trade by inducing manufacturing, industrial, warehousing, research, recreation and commercial enterprises to locate or remain in the State and (ii) to encourage and assist in the providing of industrial pollution control facilities and (iii) to promote the economic welfare and prosperity of the inhabitants of the State. The Act vests the Agency with all powers necessary to enable it to accomplish such purposes.

1.03. (a) The Company has submitted to the Agency an Application for Financial Assistance dated November 19, 2019 which Application may be amended from time to time prior to closing of the sale-leaseback or lease-leaseback transaction described below (the "Application") requesting that the Agency assist in the acquisition of a .82 acre parcel of land located at 1020 Erie Street, City of Utica, Oneida County, New York (the "Land"); construction on the Land of a 9,630 square foot commercial/warehouse building together with improvements to infrastructure to service the same (collectively, the "Improvements"); and acquisition and installation of equipment (the "Equipment"), all for the purpose of enabling the expansion of the Company's electrical construction business servicing residential, commercial, industrial and institutional markets in central New York (the Land, Improvements and the Equipment are referred to collectively as the "Facility", and the construction and equipping of the Improvements is referred to as the "Project").

1.04. The Company hereby represents to the Agency that the Project (a) will not result in the removal of an industrial or manufacturing plant from one area of the State to another area of the State or an abandonment of one or more plants of the Company located in the State; (b) is reasonably necessary to discourage the Company from removing such other plant or facility to a location outside the State, or (c) is reasonably necessary to preserve the competitive position of the Company in its industry. The

renovation and equipping of the Facility has not/did not commence(d) as of November 22, 2019.

1.05. The Agency has determined that the Project, as described in the Company's Application, will promote and further the purposes of the Act.

1.06. On November 22, 2019, the Agency adopted a resolution (the "Resolution" or the "Inducement Resolution") agreeing to undertake the Project in order to assist the Company and to effectuate the purposes of the Act and, subject to the happening of all acts, conditions and things required precedent to such undertaking and the satisfactory completion of such additional acts and reviews as the Agency may deem appropriate, to undertake a sale-leaseback or lease-leaseback transaction in connection with the Project.

1.07. In the Resolution, the Agency appointed the Company and its agents and other designees, as its agent for the purposes of the Project, and such appointment includes the following activities as they relate to the Project, whether or not the materials, services or supplies described below are incorporated into or become an integral part of the Facility: (i) all purchases, leases, rentals and other uses of tools, machinery and equipment in connection with the Project, (ii) all purchases, rentals, uses or consumption of supplies, materials and services of every kind and description used in connection with the Project, and (iii) all purchases, leases, rentals and uses of equipment, machinery, and other tangible personal property (including installation costs with respect thereto), installed or placed in, upon or under the Facility, including all repairs and replacements of such property. Such agency appointment includes the power to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency, and in general to do all things which may be requisite or proper for completing the Facility, all with the same powers and with the same validity as the Agency could do if acting on its own behalf.

1.08. (a) In the Resolution, the Agency contemplates that it will provide financial assistance to the Company in the form of exemptions from mortgage recording taxes and exemption from sales and use taxes on materials and/or equipment used or incorporated in the Facility which is consistent with the Agency's Uniform Tax Exemption Policy, to be more particularly described in a Final Authorizing Resolution to be adopted by the Agency prior to the closing of the transactions described herein (collectively, the "Financial Assistance").

(b) Based upon representations made by the Company in the Application, the value of the Financial Assistance currently authorized by the Agency is as follows:

Sales and use tax exemption	\$ 84,000	(not to exceed)
Mortgage recording tax exemption	\$7,425	(approximately)

1.09. It is understood and agreed by the parties that the purpose of the Agency's provision of Financial Assistance with respect to the Project is to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of the Project facility to advance job opportunities, health, general prosperity and economic welfare of the people of Oneida County and to otherwise accomplish the public purpose of the Act.

Article 2. Undertakings on the Part of the Agency. Based upon the statements, representations and undertakings of the Company regarding the Facility and subject to the conditions set forth herein, the Agency hereby confirms and acknowledges:

2.01. Upon satisfactory completion of the conditions precedent set forth herein and in the Resolution and the satisfactory completion of such additional acts and reviews as the Agency may deem appropriate, the Agency will (A) adopt, or cause to be adopted, such proceedings and authorize the execution of such documents as may be necessary or advisable for (i) a sale-leaseback or lease-leaseback transaction, (ii) the acquisition, construction, renovation and equipping of the Facility, and (iii) the leasing of the Facility to the Company pursuant to the Leaseback Agreement, all as shall be authorized by law and be mutually satisfactory to the Agency and the Company and (B) shall enter into a sale-leaseback or lease-leaseback transaction pursuant to the terms of the Act, as then in force, for the purpose of financing certain costs of the Facility.

2.02. The Leaseback Agreement shall be for a \_\_\_\_\_ year term and shall obligate the Company to make aggregate basic payments in the amount of \$750.00 as and when the same shall become due and payable. The Company shall be entitled to terminate the Agency's leasehold interest in the Facility for an aggregate amount of \$1.00, plus such additional amounts as shall be prescribed in the Leaseback Agreement. Specifically, the Leaseback Agreement shall contain a provision that will allow the Company to terminate the Leaseback Agreement at any time upon written notice to the Agency and upon payment by the Company of all applicable fees, penalties and recapture of benefits, if applicable. The Leaseback Agreement shall contain all provisions required by law and such other provisions as shall be mutually acceptable to the Agency and the Company.

2.03. That all services, costs and expenses of whatever nature incurred in connection with the Project and the installation, replacement, rebuilding, restoration, repair, maintenance and operation of the Facility have been and will continue to be undertaken by the Company as agent for the Agency, regardless of whether such services, costs and expenses were undertaken and/or paid in its own name or in the name of the Agency, and the Agency shall furnish to the Company an appropriate letter on Agency letterhead evidencing the authority of the Company to act as agent of the Agency.'

2.04. That, in connection with any lease by the Agency to the Company that is, in turn, subleased or leased by the Company, it is the intent of all parties to the

transactions that any sublease or lease is undertaken by the Company as agent for the Agency.

2.05. That, at the request of the Company, and subject to the agreement between the Agency and the Company, any future transfers of fee or leasehold interest of any portion of real property upon which the Facility is located and not owned by the Agency, are hereby authorized, such transfers to be from the Company to the Agency, and there shall be no need for any further official action on behalf of the Agency other than the execution of the appropriate documents evidencing such transfer.

2.06. The Agency will take or cause to be taken such other acts and adopt such further proceedings as may be required to implement the aforesaid undertakings or as it may deem appropriate in pursuance thereof.

Article 3. Undertakings on the Part of the Company. Based upon the statements, representations and undertakings of the Agency herein and in the Resolution and subject to the conditions set forth herein and in the Resolution, the Company agrees as follows:

3.01. The Company hereby accepts the appointment made by the Agency in the Resolution to be the true and lawful agent of the Agency to (i) complete the Project and repair and maintain the Facility and (ii) make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent of the Agency, and in general to do all things which may be requisite or proper for completing the Facility, all with the same powers and the same validity as the Agency could do if acting on its own behalf, including the authority to delegate such Agency appointment, as described in the Resolution.

3.02. In the Application, the Company represented that it will create 12 full time equivalent positions at the Facility prior to the conclusion of the third year of the Lease Term, retain the existing 35 full time equivalent positions at the Facility, and maintain all for the duration of the Lease Term as a result of undertaking the Facility (the "Employment Obligation"). The Company acknowledges that the Financial Assistance is conditioned upon the Company maintaining the Employment Obligation for the term of the Leaseback Agreement and failure to do so may result in the termination or recapture of Financial Assistance.

Attached as Exhibit A is the criteria the Agency used to determine the Financial Assistance the Project is entitled to receive. The Company acknowledges that the Financial Assistance is conditioned upon the Company completing the Project substantially as it represented in the Application so that the criteria are achieved at completion of the Project and maintained for the term of the Leaseback Agreement.

3.03. The Company will, to the extent deemed by it to be necessary or desirable, enter into a contract or contracts for the Project (including any necessary contracts for the acquisition of real property necessary or useful in said Facility).

3.04. Contemporaneously with the closing of the sale-leaseback or lease-leaseback transaction the Company will enter into the Leaseback Agreement with the Agency containing, among other things, the terms and conditions described in Section 2.02 hereof.

3.05. (a) The Company shall not permit to stand, and will, at its own expense, take all steps reasonably necessary to remove (or bond the same if acceptable to the Agency and its counsel), any mechanics' or other liens against the Facility for labor or materials furnished in connection with the Project. The Company shall forever defend, indemnify and hold the Agency, its members, officers, employees, and agents, and anyone for whose acts or omissions the Agency or any of them may be liable, harmless from and against all costs, losses, expenses, claims, damages and liabilities of whatever kind or nature arising, directly or indirectly, out of or based on labor, services, materials and supplies, including equipment, ordered or used in connection with the Project or arising out of any contract or other arrangement therefor (and including any expenses incurred by the Agency in defending any claims, suits or actions which may arise as a result of any of the foregoing), whether such claims or liabilities arise as a result of the Company acting as agent for the Agency pursuant to this AGREEMENT or otherwise.

(b) The Company shall forever defend, indemnify and hold harmless the Agency, its members, officers, employees and agents, and anyone for whose acts or omissions the Agency or any of them may be liable, from and against all claims, causes of action, liabilities and expenses (including without limitation attorneys' fees) howsoever arising for loss or damage to property or any injury to or death of any person (including, without limitation, death of or injury to any employee of the Company or any sublessee) that may occur subsequent to the date hereof by any cause whatsoever in relation to the Facility including the failure to comply with the provisions of Article 3.05 hereof, or arising, directly or indirectly, out of the Project or the ownership, acquisition, operation, maintenance, repair or financing of the Facility, and including, without limitation, any expenses incurred by the Agency in defending any claims, suits or actions which may arise as a result of the foregoing.

(c) The defense and indemnities provided for in this Article 3 shall apply whether or not the claim, liability, cause of action or expense is caused or alleged to be caused, in whole or in part, by the activities, acts, fault or negligence of the Agency, its members, officers, employees and agents, anyone under the direction and control of any of them, or anyone for whose acts or omissions the Agency or any of them may be liable, and whether or not based upon the breach of a statutory duty or obligation or any theory or rule of comparative or apportioned liability, subject only to any specific prohibition relating to the scope of indemnities imposed by law. Without limiting the

generality of the foregoing, the foregoing indemnifications shall apply to and encompass any action (or alleged failure to act) of the Agency pursuant to the SEQR Act.

(d) The Company shall provide and carry workers' compensation and disability insurance as required by law and comprehensive liability insurance with such coverages (including, without limitation, owner's protective for the benefit of the Agency and contractual coverage covering the indemnities herein provided for), with such limits and with such companies as may be approved by the Agency. Upon the request of the Agency, the Company shall provide certificates of insurance in form satisfactory to the Agency evidencing such insurance.

3.06. With the exception of the authorizations required to be adopted by the Agency for the Agency to enter into the sale-leaseback or lease-leaseback transaction, the Company agrees that, as agent for the Agency or otherwise, it will comply with all the requirements of all federal, state and local laws, rules and regulations of whatever kind and howsoever denominated applicable to the Agency and/or the Company with respect to the Facility, the Project, the operation and maintenance of the Facility and the financing thereof. Every provision required by law to be inserted herein shall be deemed to be set forth herein as if set forth in full; and upon the request of either party, this AGREEMENT shall be amended to specifically set forth any such provision or provisions. The Company certifies, under penalty of perjury, that it is in substantial compliance with all local, state and federal tax, worker protection and environmental laws, rules and regulations.

3.07. The Company will take such further action and adopt such further proceedings as may be required to implement its aforesaid undertakings or as it may deem appropriate in pursuance thereof.

3.08. If it should be determined that any State or local sales or compensatory use taxes or similar taxes however denominated are payable with respect to the acquisition, purchase or rental of machinery or equipment, materials or supplies in connection with the Project, or are in any manner otherwise payable directly or indirectly in connection with the Project, the Company shall pay the same and defend and indemnify the Agency from and against any liability, expenses and penalties arising out of, directly or indirectly, the imposition of any such taxes.

3.09. The Company shall file with the New York State Department of Taxation and Finance an annual statement of the value of all sales and use tax exemptions claimed in connection with the Facility, in compliance with Section 874(8) of the New York State General Municipal Law. The Company shall provide the Agency with a copy of such annual statement at the time of filing with the State Department of Taxation and Finance. Based upon representations made by the Company in the Application, the value of the sales tax to be abated relating to the Project is estimated at \$77,000. The Company acknowledges that the financial assistance currently authorized by the Agency is limited to \$84,000 and the Agency is required by law to recapture the New

York State portion of sales tax of any exemptions claimed by the Company that exceed this amount. Upon the closing of the sale-leaseback or lease-leaseback transaction, the Agency will issue an agency appointment letter in the full value of the amount authorized.

3.10. If the Facility is leased to another party by the Agency and subleased to the Company, then in such event, the Company guarantees all of the covenants, undertakings and indemnities of such other party as set forth in this Article 3.

3.11. The Company shall provide annually, to the Agency, a certified statement and documentation: (i) enumerating the full time equivalent jobs retained and the full time equivalent jobs created as a result of the Financial Assistance, by category, including full time equivalent independent contractors or employees of independent contractors that work at the Project location, and (ii) indicating that the salary and fringe benefit averages or ranges for categories of jobs retained and jobs created that was provided in the application for Financial Assistance is still accurate and if it is not still accurate, providing a revised list of salary and fringe benefit averages or ranges for categories of jobs retained and jobs created. Exhibit A contains the form of annual certification as well as additional Project assessment information that the Agency requires, on an annual basis, to be submitted to the Agency by the Company. If the Company does not provide said annual certified statement to the Agency by the stated due date, a \$500.00 late fee will be charged to the Company for each thirty (30) day period the report is late beyond the due date, up until the time the report is submitted.

3.12. In accordance with Section 875(3) of the General Municipal Law, the policies of the Agency, and the Resolution, the Company covenants and agrees that it may be subject to recapture of any and all Financial Assistance if it is determined by the Agency that:

(a) the Company or its subagents, if any, authorized to make purchases for the benefit of the Project is not entitled to the sales and use tax exemption benefits; or

(b) the sales and use tax exemption benefits are in excess of the amounts authorized by the Agency to be taken by the Company or its subagents, if any; or

(c) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or

(d) the Company has made a material false or misleading statement, or omitted any information which, if included, would have rendered any information in the application or supporting documentation false or misleading in any material respect, on its application for Financial Assistance; or

(e) the Company fails to meet and maintain the Employment Obligation [or Project Obligation]; or

(f) the Company failed to submit to the Agency its annual report so that the Agency can confirm that the Project is achieving the Employment Obligation [or Project Obligation] and other objectives of the Project.

If the Agency determines to recapture any Financial Assistance, the Company agrees and covenants that it will (i) cooperate with the Agency in its efforts to recover or recapture any or all Financial Assistance obtained by the Company and (ii) promptly pay over any or all such amounts to the Agency that the Agency demands in connection therewith. Upon receipt of such amounts, the Agency shall then redistribute such amounts to the appropriate affected tax jurisdiction(s), unless agreed to otherwise by any tax jurisdiction(s). The Company further understands and agrees that in the event that the Company fails to pay over such amounts to the Agency, the New York State Tax Commissioner may assess and determine the New York State and local sales and use tax due from the Company, together with any relevant penalties and interest due on such amounts.

#### Article 4. General Provisions.

4.01. This AGREEMENT sets forth the terms and conditions under which Financial Assistance shall be provided to the Company; no Financial Assistance shall be provided to the Company prior to the effective date of this Agreement. The Agency's transaction fee is calculated based upon the size of the project; based upon the projections in the Company's Application, the transaction fee for the Project is estimated at \$[IDA FEE], which will be payable in full at closing.

4.03. The Company agrees that it will reimburse the Agency for all reasonable and necessary direct out-of-pocket expenses that the Agency may incur as a consequence of executing this AGREEMENT or performing its obligations hereunder.
