ALL APPLICANTS ANSWER THE FOLLOWING

Part V: Retail Project Questionnaire

To ensure compliance with Section 862 of the New York General Municipal Law, the Agency requires additional information if the proposed Project is one where customers personally visit the Project site to undertake either a retail sale transaction or to purchase services.

- A. Will any portion of the project (including that portion of the cost to be financed from equity or other sources) consist of facilities or property that are or will be primarily used in making sales of goods or services to customers who personally visit the project site?

Yes or No. If the answer is yes, please continue. **If no, proceed to next section Part VI Facility (Pg 14).**

For purposes of Question A, the term “retail sales” means (i) sales by a registered vendor under Article 28 of the Tax Law of the State of New York (the “Tax Law”) primarily engaged in the retail sale of tangible personal property (as defined in Section 1101(b)(4)(i) of the Tax Law), or (ii) sales of a service to customers who personally visit the Project.

- B. What percentage of the cost of the Project will be expended on such facilities or property primarily used in making sales of goods or services to customers who personally visit the project? _____%. **If the answer is less than 33% do not complete the remainder of the retail determination and proceed to next section Part VI Facility (Pg 14).**

If the answer to A is Yes AND the answer to Question B is greater than 33.33%, indicate which of the following questions below apply to the project:

1. Will the project be operated by a not-for-profit corporation Yes or No.

2. Is the Project location or facility likely to attract a significant number of visitors from outside Oneida County?

Yes or No

If yes, please provide a third party market analysis or other documentation supporting your response.

3. Is the predominant purpose of the project to make available goods or services which would not, but for the project, be reasonably accessible to the residents of the municipality within which the proposed project would be located because of a lack of reasonably accessible retail trade facilities offering such goods or services?

Yes or No

If yes, please provide a third party market analysis that demonstrates that a majority of the project’s customers are expected to come from outside of Oneida County and the project will not directly compete with existing businesses located in Oneida County.

Part VI: Facility (Legal Information)

8(a) With respect to the **present owner** of the facility, please give the following information and provide a brief statement regarding the status of the acquisition.:

REPRESENTATIONS AND CERTIFICATION BY APPLICANT

The undersigned requests that this Application be submitted for review to the Oneida County Industrial Development Agency (the "Agency") and its Board of Directors.

Approval of the Application can be granted solely by this Agency's Board of Directors. The undersigned acknowledges that Applicant shall be responsible for all costs incurred by the Agency and its counsel in connection with the attendant negotiations whether or not the transaction is carried to a successful conclusion.

The Applicant further understands and agrees with the Agency as follows:

1. **Annual Sales Tax Filings.** In accordance with Section 858-b(2) of the New York General Municipal Law, the Applicant understands and agrees that, if the Project receives any sales tax exemptions as part of the Financial Assistance from the Agency, in accordance with Section 874(8) of the General Municipal Law, the Applicant agrees to file, or cause to be filed, with the New York State Department of Taxation and Finance, the annual form prescribed by the Department of Taxation and Finance, describing the value of all sales tax exemptions claimed by the Applicant and all consultants or subcontractors retained by the Applicant.
2. **Annual Employment, Tax Exemption & Bond Status Reports.** The Applicant understands and agrees that, if the Project receives any Financial Assistance from the Agency, the Applicant agrees to file, or cause to be filed, with the Agency, on an annual basis, reports regarding the number of people employed at the project site as well as tax exemption benefits received with the action of the Agency. For Applicants not responding to the Agency's request for reports by the stated due date, a \$500 late fee will be charged to the Applicant for each 30-day period the report is late beyond the due date, up until the time the report is submitted. Failure to provide such reports as provided in the transaction documents will be an Event of Default under the Lease (or Leaseback) Agreement between the Agency and Applicant. In addition, a Notice of Failure to provide the Agency with an Annual Employment, Tax Exemption & Bond Status Report may be reported to Agency board members, said report being an agenda item subject to the Open Meetings Law.
3. **Absence of Conflict of Interest.** The Applicant has consulted the Agency website of the list of the Agency members, officers and employees of the Agency. No member, officer, or employee of the Agency has an interest, whether direct or indirect, in any transaction contemplated by this Application, except as herein after described (if none, state "none"):
4. **Hold Harmless.** Applicant hereby releases the Agency and its members, officers, servants, agents and employees from, agrees that the Agency shall not be liable for and agrees to indemnify, defend and hold the Agency harmless from and against any and all liability arising from or expense incurred by (A) the Agency's examination and processing of, and action pursuant to or upon, the attached Application, regardless of whether or not the Application or the Project described therein or the tax exemptions and other assistance requested therein are favorably acted upon by the Agency, (B) the Agency's acquisition, construction and/or installation of the Project described therein and (C) any further action taken by the Agency with respect to the Project; including without limiting the generality of the foregoing, all causes of action and attorneys' fees and any other expenses incurred in defending any suits or actions which may arise as a result of any of the foregoing. If, for any reason, the Applicant fails to conclude or consummate necessary negotiations, or fails, within a reasonable or specified period of time, to take reasonable, proper or requested action, or withdraws, abandons, cancels or neglects the Application, or if the Agency or the Applicant are unable to reach final

agreement with respect to the Project, then, and in the event, upon presentation of an invoice itemizing the same, the Applicant shall pay to the Agency, its agents or assigns, all costs incurred by the Agency in the processing of the Application, including attorneys' fees, if any.

5. The Applicant acknowledges that the Agency has disclosed that the actions and activities of the Agency are subject to the Public Authorities Accountability Act signed into law January 13, 2006 as Chapter 766 of the 2005 Laws of the State of New York.
6. The Applicant acknowledges that the Agency is subject to New York State's Freedom of Information Law (FOIL). **Applicant understands that all Project information and records related to this application are potentially subject to disclosure under FOIL subject to limited statutory exclusions.**
7. The Applicant acknowledges that it has been provided with a copy of the Agency's recapture policy (the "Recapture Policy"). The Applicant covenants and agrees that it fully understands that the Recapture Policy is applicable to the Project that is the subject of this Application, and that the Agency will implement the Recapture Policy if and when it is so required to do so. The Applicant further covenants and agrees that its Project is potentially subject to termination of Agency financial assistance and/or recapture of Agency financial assistance so provided and/or previously granted.
8. The Applicant understands and agrees that the provisions of Section 862(1) of the New York General Municipal Law, as provided below, will not be violated if Financial Assistance is provided for the proposed Project:

§ 862. Restrictions on funds of the agency. (1) No funds of the agency shall be used in respect of any project if the completion thereof would result in the removal of an industrial or manufacturing plant of the project occupant from one area of the state to another area of the state or in the abandonment of one or more plants or facilities of the project occupant located within the state, provided, however, that neither restriction shall apply if the agency shall determine on the basis of the application before it that the project is reasonably necessary to discourage the project occupant from removing such other plant or facility to a location outside the state or is reasonably necessary to preserve the competitive position of the project occupant in its respective industry.

9. The Applicant confirms and acknowledges that the owner, occupant, or operator receiving Financial Assistance for the proposed Project is in substantial compliance with applicable local, state and federal tax, worker protection and environmental laws, rules and regulations.
10. The Applicant confirms and acknowledges that the submission of any knowingly false or knowingly misleading information may lead to the immediate termination of any Financial Assistance and the reimbursement of an amount equal to all or part of any tax exemption claimed by reason of the Agency's involvement the Project.
11. The Applicant confirms and hereby acknowledges that as of the date of this Application, the Applicant is in substantial compliance with all provisions of Article 18-A of the New York General Municipal Law, including, but not limited to, the provision of Section 859-a and Section 862(1) of the New York General Municipal Law.
12. The Applicant and the individual executing this Application on behalf of the Applicant acknowledge that the Agency will rely on the representations made herein when acting on this Application and hereby represent that the statements made herein do not contain any untrue statement of a material

fact and do not omit to state a material fact necessary to make the statements contained herein not misleading.

Return the original signed and notarized application and two copies with a check in the amount of \$1500.00 made payable to: **Oneida County Industrial Development Agency (OCIDA)**, 584 Phoenix Drive, Rome, New York 13441-1405, Attn.: Shawna M. Papale, Executive Director. \$1000 will be applied at closing against the IDA closing fee. In addition, please send an electronic version of the application (signed), and SEQR form (signed), to spapale@mvedge.org.

Agency Fee Schedule

Commitment Fee: \$1,000 – due following the initial inducement but prior to scheduling of the public hearing; this amount is non-refundable if the applicant fails to close on the project before the IDA. Upon closing with the IDA this amount is applied to the closing fees.

Bond Fees: ½ of 1% of total bond amount

IDA Agency Fee: PILOT, Mortgage Recording Exemption, Sales Tax Exemption:

- Up to a \$1.0 Million project - \$5,000
- Above \$1.0 Million project up to \$10.0 Million project – ½ of 1% of total project cost.
- Above \$10.0 Million project – ½ of 1% of total project cost up to \$10.0 Million plus incremental increase of ¼ of 1% of total project above \$10.0 Million.

Transaction Counsel/Agency Counsel fee:

Set by Bond/Transaction Counsel based upon the nature and complexity of the transaction. This applies to bond and non-bond transactions (leasebacks, sale-leasebacks, etc).

Transaction Counsel/Agency Counsel fees for bond transactions typically will not exceed 2% of the bond amount or project costs. Transaction Counsel/Agency Counsel fees for a sale-leaseback/lease-leaseback transaction are typically \$8,500 to \$10,000 if no commercial financing is involved or \$10,000 to \$12,000 if commercial financing is involved. You will receive an engagement letter with a quote based upon the scope of your project.

Annual Fee:

For the term in which the property remains in the IDA's name, an annual lease payment is due in the amount of \$750. The first payment is due at closing and subsequent payments are due each January 1. For annual fees not paid and delinquent, a late charge of \$50 per month will be levied until such time the fee plus late charges are paid.

Other fees:

If Applicant requests the IDA enter into subsequent transactions following closing (i.e., a facility refinance), the IDA will charge a closing fee equal to 1/8 of one percent of the total reissuance, redemption, new or revised mortgage, refinancing, spreading agreement or other transaction with a minimum payment due of \$500. Applicant will also be responsible to pay any legal fees the IDA incurs in connection with said transaction.

Part 2 - Impact Assessment. The Lead Agency is responsible for the completion of Part 2. Answer all of the following questions in Part 2 using the information contained in Part 1 and other materials submitted by the project sponsor or otherwise available to the reviewer. When answering the questions the reviewer should be guided by the concept "Have my responses been reasonable considering the scale and context of the proposed action?"

	No, or small impact may occur	Moderate to large impact may occur
1. Will the proposed action create a material conflict with an adopted land use plan or zoning regulations?	<input type="checkbox"/>	<input type="checkbox"/>
2. Will the proposed action result in a change in the use or intensity of use of land?	<input type="checkbox"/>	<input type="checkbox"/>
3. Will the proposed action impair the character or quality of the existing community?	<input type="checkbox"/>	<input type="checkbox"/>
4. Will the proposed action have an impact on the environmental characteristics that caused the establishment of a Critical Environmental Area (CEA)?	<input type="checkbox"/>	<input type="checkbox"/>
5. Will the proposed action result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway?	<input type="checkbox"/>	<input type="checkbox"/>
6. Will the proposed action cause an increase in the use of energy and it fails to incorporate reasonably available energy conservation or renewable energy opportunities?	<input type="checkbox"/>	<input type="checkbox"/>
7. Will the proposed action impact existing:	<input type="checkbox"/>	<input type="checkbox"/>
a. public / private water supplies?	<input type="checkbox"/>	<input type="checkbox"/>

9. Will the proposed action result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora and fauna)?	<input type="checkbox"/>	<input type="checkbox"/>

	No, or small impact may occur	Moderate to large impact may occur
10. Will the proposed action result in an increase in the potential for erosion, flooding or drainage problems?	<input type="checkbox"/>	<input type="checkbox"/>
11. Will the proposed action create a hazard to environmental resources or human health?	<input type="checkbox"/>	<input type="checkbox"/>

Part 3 - Determination of significance. The Lead Agency is responsible for the completion of Part 3. For every question in Part 2 that was answered “moderate to large impact may occur”, or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

<input type="checkbox"/>	Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.

BRIEF HISTORY OF PROPERTY (historic use of property, ownership history, prior approvals, etc.)

The property currently houses the applicants building and parking lot.

DESCRIPTION OF PROPOSED ACTION (include specific use proposed, size of construction or addition proposed, details of proposed access, parking provisions and signage, etc.)

The proposed development is an addition to the applicants facility. The addition will have a footprint of 5,600 SF. It will be two story plus basement. A mezzanine will occupy a portion of the second floor. The project will require the expansion of the parking lot. Additional land is being obtained from the neighboring property (Notre Dame High School) to facilitate this work. An agreement was developed to allow the school to use the applicants proposed parking expansion during evening hours and weekends as it will abut their athletic fields and new gymnasium. Storm water will be detained in an underground detention basin and will be released slightly below the pre-development rate. The total site disturbance will be less than one acre.

COMPATIBILITY WITH NEIGHBORHOOD (describe the manner by which the proposed development will be consistent with adjoining development and will not cause substantial injury to neighboring properties)

The project is location in an existing business park. The site is surrounded by commercial properties and is an expansion of an existing use.

APPLICATIONS FOR SITE PLAN APPROVAL SHOULD INCLUDE THE FOLLOWING:

1. An area map at the scale of one inch equals 2,000 feet showing the parcel under consideration for site plan review, and all properties, water bodies, streets, and easements within 200 feet of the property boundaries.
2. A map of site topography at no more than five-foot contour intervals. If general site grades exceed 5% or portions of the site have susceptibility to erosion, flooding, or ponding, a soils overlay and a topographic map showing contour intervals of not more than two feet of elevation should be provided.
3. Adequacy and arrangement of vehicular traffic access and circulation, including intersections, road widths, pavement surfaces, dividers and traffic control.
4. Adequacy and arrangement of pedestrian traffic access and circulation, walkway structures, control of intersections with vehicular traffic and overall pedestrian convenience.
5. Location, arrangement, appearance and sufficiency of off-street parking and loading.
6. Location, arrangement, size, design and general site compatibility of buildings, lighting and signs.
7. Adequacy of stormwater and drainage facilities.
8. Adequacy of water and sewage disposal facilities.
9. Adequacy, type and arrangement of trees, shrubs and other landscaping constituting a visual and/or noise buffer between the applicant's and adjoining lands, including the maximum retention of existing vegetation.
10. In the case of multifamily dwellings, the adequacy of usable open space for play areas and informal recreation.
11. Protection of adjacent or neighboring properties against noise, glare, unsightliness or other objectionable features
12. Adequacy of fire lanes and other emergency zones and the provisions of fire hydrants.
13. Special attention to the adequacy of structures, roadways, and landscaping in areas with susceptibility to ponding, flooding and/or erosion.
14. Overall sensitivity to the environment.

Rising Phoenix Holdings Corporation
Subsidiaries and Related Entities
(Delaware)

3/15/2019

Rising Phoenix Holding Corporation's (RPHC) corporate headquarters in Utica houses a diverse staff responsible for various executive, management, financial and governance functions for RPHC and its subsidiaries; primarily Adjusters International Inc., LLC (AI) and Tidal Basin Group, LLC (TB).

AI provides public adjusting services for policyholders who have sustained insured property damage claims, assisting them with the preparation, documentation and negotiation of their insurance claims, in order to obtain the best possible recovery. Public Adjusting services are provided by AI's owner firms who operate over 40 regional offices. Our Corporate office provides back office operations for them including business development, marketing, advertising, especially through web based and social media platforms, to build the AI brand nationwide to help them grow their local businesses.

Tidal Basin provides Disaster Preparedness and Recovery services, primarily to federal, state and local entities, assisting with recovering funds through various disaster grant programs such as FEMA Public Assistance and HUD's CDBG programs. TB's services are provided by numerous field staff deployed throughout the country following major natural and manmade disasters. Our Utica office provides all of the back office operations support necessary to recruit, train, deploy and support the staff throughout the various projects; including all time keeping and payroll, expense reporting, billings etc. We are also responsible for organizing all travel and lodging for our field staff, at times operating a seven-day two shift call center to support them.

In addition, our Utica office is currently in the process of assuming responsibility for the accounting and financial reporting responsibility for Vanguard Emergency Management, our joint venture partnership, that holds a major housing inspection contract with FEMA, operating out of our readiness facility in Winchester VA.

for 126 Business Park Partners Office Expansion Project**

Project Overview March 15,2019

Basloe, Levin and Cuccaro (BLC) has operated as a local public adjusting firm since 1908. Originally based in Herkimer, BLC moved its operations then with only two employees to Downtown Utica in the early seventies. In 1985 Adjusters International, Inc. (AI) was created when BLC and 12 other regional public adjusting firms across the U.S, and in Canada, the UK and Puerto Rico combined resources, to create greater efficiencies on the marketing and professional service fronts, and to respond to natural and manmade disasters anywhere. BLC's principal Ronald Cuccaro, began serving as the first President and CEO, of AI, established its Corporate office in Utica, using a "back room," professional support model that became the backbone of our subsequent growth.

Despite not being located centrally in the country or at an air transportation hub, in an industry requiring extensive travel, AI succeeded. The availability of skilled administrative and trainable professional staff at reasonable rates, the relatively low cost of doing business and other quality-of-life and cost of living considerations made it possible. In addition, the emergence of technology allowed AI to leverage its business model, from a relatively remote location.

In 1994 as AI's growth exceeded expectations AI constructed a 10,000 sq. ft. facility in the Utica Business Park, in part through the assistance of OCIDA. Shortly after, AI expanded its services to include FEMA Disaster grant consulting, a newly emerging field. In 2001, the Port Authority of NY & NJ hired AI to assist with their FEMA recovery following the 9/11 Terrorist Attacks, and in 2004, AI was hired by the State of New York to assist local government, and not for profit applicants to obtain full recovery from their FEMA disaster grants.

In 2007, AI provided NYS with support for five simultaneous flooding disasters requiring at its peak more than 160 trained field personnel, all hired, trained and managed out of the Utica office. AI field staff helped over 4800 local applicants to obtain more than \$780 million in disaster recovery funds. Additional disasters during that decade resulted in the deployment of our professional staff to other parts of the country.

These projects required significant management and support – to be provided by our Utica office staff which was expanded to include full time finance and management personnel as well as additional temporary positions. The team trained, and supported numerous field staff being deployed to various disasters throughout the U.S. Many were local hires, originating from the economically challenged I-90 corridor and drawing heavily from Central New York and the Mohawk Valley.

To keep up with the growth and to provide for surge capacity in a cyclical disaster-related industry, AI expanded our Business Park facilities in 2007 adding 15,000 square feet; again with the assistance of OCIDA. This expansion allowed us to add more staff and it provided a centralized IT hub; a training suite and more storage for the marketing materials distributed to our owner-firms. Although the question of relocating or expanding elsewhere in the country was raised, the performance by our local staff and the

incentives provided by OCIDA to support our expansion within the Business Park played a large role in justifying our expansion in Utica.

Since the 2007 expansion, AI has continued to grow adding more government clients including the states of Alaska, Hawaii, and Michigan. In 2013, we responded to Hurricane Sandy deploying over 400 field staff to the metropolitan New York and in Albany. As of this date we have been instrumental in processing more than \$ 16 Billion in FEMA disaster funding for NYS communities for their Hurricane Sandy recovery. During this time, we also worked with FEMA to implement the Sheltering and Temporary Essential Power (STEP) Pilot Program and with the Governor's Office of Storm Recovery to provide operational support for Community Development Block Grant – Disaster Recovery programs, which developed new competencies.

In 2016, we acquired the Tidal Basin Group, a competitor, located in Alexandria, VA. The transaction also included a joint venture interest in Vanguard Emergency Management (VEM) which holds a five-year contract with FEMA to complete home inspections following presidentially declared disasters, VEM provides the training, deployment and support of housing inspection teams on a massive scale; working from its readiness and support facility in Winchester VA. Additionally a number of the accounting/finance support staff for the disasters are now located in Utica. Also, we are now the managing partner of VEM and responsible for the overall joint venture accounting, which has allowed us to convert some of our existing local temporary staff to full time.

Following Hurricane Maria in Puerto Rico, AI was positioned to assist with the various FEMA programs being deployed to assist in the island's recovery. Our operations in Puerto Rico included the project management of the FEMA STEP program on the part of the Puerto Rico Department of Housing, where we managed the temporary repairs to 120,000 homes at a cost of \$1.5 Billion. This operation was managed here in Utica, including all of the HR functions to recruit and manage 700 Spanish speaking employees in PR. During this same period of time VEM completed over 1,200,000 home inspections in Texas, Louisiana, Florida and Puerto Rico. As a result, our Utica office handled a majority of the time and expense accounting for approximately 10,000 VEM home inspectors who were deployed in the field. Simultaneously, Hurricanes Harvey and Irma and the California wildfires created a need for our services in other parts of the country.

The support of these operations demanded the expansion of our Utica team to include a number of full-time and part-time positions. We hired and trained 60 local surge staff working two shifts to handle the tracking, reporting, and billing aspects of these projects, including, expense reports, compliance, quality control, and other accounting- and finance functions. These positions provided excellent professional-level job opportunities for local college graduates and experienced personnel alike. While many of these positions are temporary, most are long-term, lasting 12 to 18 of months, with 20 % of them continuing for more than 24 months. All these positions provided resume building and professional skill development for college graduates who were able to stay in the area as a result. A number of these positions have already transitioned into full-time opportunities.

To accommodate this significant staffing demand, we converted our training and storage areas and meeting rooms into office space and we also rented additional office space offsite. We now need to expand our Utica offices once again.

Because our staff are now located in other states, including a growing presence in Alexandria, Virginia supporting our federal operations, there have been discussions about expanding there, however, it is our intent to expand once again here. The economic development incentives offered by OCIDA provide significant reasons for continuing our capital investment at our existing location. These incentives are even more helpful now, as we work against the gravitational pull of building a bigger presence in the DC area.

There are significant benefits to continuing the very positive relationships our company has had over the past three decades in Oneida County. We are proud to do most of our corporate purchasing within Oneida County, including all our banking, insurance, IT support, web development, supplies, printing, etc., as well as our hospitality needs during trainings and corporate events. Many of our owner firms located across the country now have their printed materials, web site development and advertising sourced to Oneida County vendors. We have grown into a major employer and investor in our community, and a visible supporter of local charitable organizations.

Our project will include a new parking lot abutting Notre Dame High School which we will be leasing to Notre Dame, at no cost, for their parking needs on weeknights, weekends and holidays ; solving a severe parking shortage.

Since our relationship with OCIDA began in 1995, when we only had 8 local staff members, we now employ 44 full time and 3 part time staff locally; in addition to a substantial number of temporary employees, demonstrating the positive impact of OCIDA's prior support.

Once again, we ask for your support for our new expansion, which will allow us to bring our staff back under one roof to work comfortably, and to gain the added capacity to house additional full time and temporary surge staff here in Utica. Also, our project includes the purchase of 25,000 square feet of adjoining land from Notre Dame High School which is tax exempt, thereby adding to the city, county and school tax base.
