

RESOLUTION OF THE ONEIDA COUNTY INDUSTRIAL DEVELOPMENT AGENCY DETERMINING THAT ACTION TO PROVIDE FINANCIAL ASSISTANCE RELATING TO A PROJECT FOR THE BENEFIT OF JGV, LLC WILL NOT HAVE A SIGNIFICANT EFFECT ON THE ENVIRONMENT

WHEREAS, JGV, LLC, on behalf of itself, the principals of JGV, LLC, or an entity to be formed on behalf of any of the foregoing (collectively, the "Company") has applied to the Agency to enter into a transaction in which the Agency will assist in acquisition and renovation of a 103,000± square foot building (the "Improvements") situated on a 9.16± acre parcel of land located at 123 Dry Road, Town of Whitestown, Oneida County, New York (the "Land") and the acquisition and installation of equipment in the Improvements (the "Equipment"), all for the purpose of publishing and distributing educational music methods and preserving employment (the Land, the Improvements and the Equipment is referred to collectively as the "Facility" and the renovation and equipping of the Improvements is referred to as the "Project"); and

WHEREAS, pursuant to Article 8 of the Environmental Conservation Law, Chapter 43-B of the Consolidated Laws of New York, as amended (the "SEQR Act") and the regulations adopted pursuant thereto by the Department of Environmental Conservation of the State of New York, being 6 NYCRR Part 617, as amended (the "Regulations"), the Agency desires to determine whether the acquisition, renovation and equipping of the Facility may have a "significant effect on the environment" (as said quoted term is defined in the SEQR Act and the Regulations) and therefore require the preparation of an environmental impact statement; and

WHEREAS, to aid the Agency in determining whether the acquisition, renovation, and equipping of the Facility may have a significant effect upon the environment, the Company has prepared and submitted to the Agency a short environmental assessment form (the "EAF"), a copy of which was presented to and reviewed by the Agency at this meeting and copies of which are on file at the office of the Agency; and

WHEREAS, pursuant to the Regulations, the Agency has examined the EAF in order to make a determination as to the potential environmental significance of the Facility.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE ONEIDA COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. Based on an examination of the Application, the EAF, and based further upon the Agency's knowledge of the area surrounding the Facility and such further investigation of the Facility and its environmental effects as the Agency has deemed appropriate, the Agency makes the following findings and determinations with respect to the Facility:

- (A) The Facility is as described in the Application and the EAF;
- (B) The Facility constitutes an "Unlisted Action" (as defined in the Regulations);
- (C) No potentially significant impacts on the environment are noted in the EAF for the Facility, and none are known to the Agency;

(D) The Facility will not result in (i) substantial adverse change in existing air quality; ground or surface water quality or quantity, traffic or noise levels; a substantial increase in solid waste production; or a substantial increase in potential for erosion, flooding, leaching or drainage problems; (ii) the removal or destruction of large quantities of vegetation or fauna; substantial interference with the movement of a resident or migratory fish or wildlife species; impacts on a significant habitat area; substantial adverse impacts on threatened or endangered species of animal or plant, or the habitat of such species; or (iii) other significant adverse impacts to natural resources;

(E) The Facility will not affect a critical environmental area as designated pursuant to 6 NYCRR 617.14(g);

(F) The Facility will not conflict with the community's current plans or goals as officially approved or adopted;

(G) The Facility will not result in the impairment of the character or quality of important historical, archeological, architectural, or aesthetic resources or of existing community or neighborhood character;

(H) The Facility will not result in a major change in the use of either the quantity or type of energy;

(I) The Facility will not result in the creation of a hazard to human health;

(J) The Facility will not result in a substantial change in the use, or intensity of use, of land including architectural, open space or recreational resources, or in its capacity to support existing uses;

(K) The Facility will not result in encouraging or attracting of a large number of people to a place or places for more than a few days, compared to the number of people who would come to such place absent the action;

(L) The Facility will not result in the creation of a material demand for other actions that would result in one or more of the above consequences;

(M) The Facility will not result in changes in two or more elements of the environment, no one of which has a significant impact on the environment, but when considered together result in a substantial adverse impact on the environment; and

(N) The Facility will not result in two or more related actions undertaken, funded or approved by an agency, none of which has or would have a significant impact on the environment, but when considered cumulatively would meet one or more of the criteria in 6 NYCRR Section 617.7(c).

Section 2. The Agency hereby determines that the Facility will not have a significant impact on the environment and the Agency will not require the preparation of an

environmental impact statement with respect to the Facility. As a result, the Agency has prepared a negative declaration with respect to the Facility.

Section 3. The Executive Director of the Agency is hereby directed to file in the Agency's records a negative declaration with respect to the Facility (said negative declaration to be substantially in the form and substantially to the effect of the negative declaration attached hereto).

Section 4. This resolution shall take effect immediately.
