The Agency has determined that providing the Facility will accomplish, in part, its public purposes; and

The Company has agreed with the Agency, on behalf of the Agency and as the Agency's agent, to acquire, remediate, demolish, construct, renovate and equip the Facility in accordance with the Plans and Specifications.

The Agency proposes to lease the Facility to the Company, and the Company desires to rent the Facility from the Agency, upon the terms and conditions hereinafter set forth in this Leaseback Agreement.

The Company, in its own name or in the name of the Agency, may prosecute or defend any action or proceeding or take any other action involving any such contractor, subcontractor, materialman or surety or other Person which the Company deems reasonably necessary, and in such event the Agency, at the Company's expense, hereby agrees to cooperate fully with the Company and to take all action necessary to effect the substitution of the Company for the Agency in any such action or proceeding. The Company shall advise the Agency of any actions or proceedings taken hereunder.

ARTICLE V DEMISING CLAUSES AND RENTAL PROVISIONS

Section 5.1 Demise of Facility. The Agency hereby leases the Facility, consisting of the Land as particularly described in Exhibit A attached hereto, the Improvements and the Equipment as particularly described in Exhibit B attached hereto, to the Company and the Company hereby takes the Facility from the Agency upon the terms and conditions of this Leaseback Agreement.

Section 5.2 Duration of Lease Term; Quiet Enjoyment.

(b) Except as provided in Section 10.2 hereof, the leasehold estate created hereby shall terminate at 11:59 p.m. on June 30, 2025 or on such earlier date as may be permitted by Section 11.1 hereof.

(c) Except as provided in Sections 8.3 and 10.2 hereof, the Agency shall neither take nor suffer or permit any action to prevent the Company during the Lease Term from having quiet and peaceable possession and enjoyment of the Facility and will, at the request of the Company and at the Company's cost, cooperate with the Company in order that the Company may have quiet and peaceable possession and enjoyment of the Facility as hereinabove provided.

Section 5.3 Rents and Other Amounts Payable.

(a) The Company shall pay basic rent for the Facility as follows: One Dollar (\$1.00) per year commencing on the Closing Date and on the First Business Day of each and every January thereafter during the term of this Lease.

(b) In addition to the payments of rent pursuant to Section 5.3(a) hereof, throughout the Lease Term, the Company shall pay to the Agency as additional rent, within ten (10) days of receipt of demand therefor, the expenses of the Agency and the members thereof incurred (i) by reason of the Agency's ownership or leasing of the Facility or (ii) in connection with the carrying out of the Agency's

duties and obligations under the Agency Documents, the payment of which is not otherwise provided for under this Leaseback Agreement. The foregoing shall not be deemed to include any annual or continuing administrative or management fee beyond any initial administrative fee or fee for services rendered by the Agency.

(c) The Company, under the provisions of this Section 5.3, agrees to make the above-mentioned payments in immediately available funds and without any further notice in lawful money of the United States of America. In the event the Company shall fail to timely make any payment required in Section 5.3(a) or 5.3(b), the Company shall pay the same together with interest on such payment at a rate equal to two percent (2%) plus the prime rate as established by Bank of America or its successor, but in no event at a rate higher than the maximum lawful prevailing rate, from the date on which such payment was due until the date on which such payment is made.

Section 5.4 Obligations of Company Hereunder Unconditional. The obligations of the Company to make the payments required in Section 5.3 hereof, and to perform and observe any and all of the other covenants and agreements on its part contained herein shall be a general obligation of the Company, and shall be absolute and unconditional irrespective of any defense or any rights of setoff, recoupment or counterclaim it may otherwise have against the Agency or any other Person. The Company agrees it will not (i) suspend, discontinue or abate any payment required hereunder, (ii) fail to observe any of its other covenants or agreement in this Leaseback Agreement or (iii) terminate this Leaseback Agreement for any cause whatsoever except as otherwise herein provided.

Subject to the foregoing provisions, nothing contained in this Section shall be construed to release the Agency from the performance of any of the agreements on its part contained in this Leaseback Agreement or to affect the right of the Company to seek reimbursement, and in the event the Agency should fail to perform any such agreement, the Company may institute such separate action against the Agency as the Company may deem necessary to compel performance or recover damages for non-performance, and the Agency covenants that it will not, subject to the provisions of Section 8.3 and Article X hereof, take, suffer or permit any action which will adversely affect, or create any defect in its title to the Facility or which will otherwise adversely affect the rights or estate of the Company hereunder, except upon written consent of the Company.

Section 5.6 [Reserved]

ARTICLE VI

Section 6.1 Maintenance and Modifications of Facility by Company.

(a) The Company shall not abandon the Facility or cause or permit any waste to the Improvements. During the Lease Term, the Company shall not remove any part of the Facility outside of

the jurisdiction of the Agency and shall (i) keep the Facility in as reasonably safe condition as its operation shall permit; (ii) make all necessary repairs and replacements to the Facility (whether ordinary or extraordinary, structural or nonstructural, foreseen or unforeseen); and (iii) operate the Facility in a sound and economic manner.

(b) The Company from time to time may make any structural additions, modifications or improvements to the Facility or any part hereof, provided such actions do not adversely affect the structural integrity of the Facility. All such additions, modifications or improvements made by the Company shall become a part of the Facility and the Property of the Agency. The Company agrees to deliver to the Agency all documents that may be necessary or appropriate to convey to the Agency title to such Property.

Section 6.2 Installation of Additional Equipment. Subject to the provisions of Section 8.10 hereof, the Company or any permitted sublessee of the Company from time to time may install additional machinery, equipment or other personal property in the Facility (which may be attached or affixed to the Facility), and such machinery, equipment or other personal property shall not become, or be deemed to become, a part of the Facility. The Company from time to time may create or permit to be created any Lien on such machinery, equipment and other personal property from the Facility. Further, the Company from time to time may remove or permit the removal of such machinery, equipment and other personal property from the Facility, provided that any such removal of such machinery, equipment or other personal property shall not occur (i) if any Event of Default which has not been cured has occurred; or (ii) if any such removal shall adversely affect the structural integrity of the Facility or impair the overall operating efficiency of the Facility for the purposes for which it is intended, and provided further, that if any damage is occasioned to the Facility by such removal, the Company agrees to promptly repair such damage at its own expense.

Section 6.3 Taxes, Assessments and Utility Charges.

(a) The Company agrees to pay, as the same become due and before any fine, penalty, interest (except interest which is payable in connection with legally permissible installment payments) or other cost that may be added thereto or become due or be imposed by operation of law for the non-payment thereof, (i) all taxes, payments in lieu of taxes and governmental charges of any kind whatsoever which may at anytime be lawfully assessed or levied against or with respect to the Facility and any machinery, equipment or other Property installed or brought by the Company therein or thereon, including, without limiting the generality of the foregoing, any sales or use taxes imposed with respect to the Facility or any part or component thereof, or the rental or sale of the Facility or any part hereof and any taxes levied upon or with respect to the income or revenues of the Agency from the Facility; (ii) all utility and other charges, including service charges, incurred or imposed for or with respect to the operation, maintenance, use, occupancy, upkeep and improvement of the Facility; (iii) all assessments and charges of any kind whatsoever lawfully made by any governmental body for public improvements; and (iv) all payments under the PILOT Agreement; provided that, with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the Company shall be obligated under this Leaseback Agreement to pay only such installments as are required to be paid during the Lease Term.

(b) The Company may in good faith contest any such taxes, assessments and other charges. In the event of any such proceedings, the Company may permit the taxes, assessments or other charges so contested to remain unpaid during the period of such proceedings and any appeal therefrom, provided, however, that (i) neither the Facility nor any part thereof or interest therein would be in any immediate danger of being sold, forfeited or lost by reason of such proceedings and (ii) the Company shall have set aside on its books adequate reserves with respect thereto and shall have furnished such security, if any, as may be required in such proceedings or requested by the Agency.

(c) The Agency agrees that if it or the Company contests any taxes, assessments or other charges provided for in paragraph (b) hereof, all sums returned, as a result thereof, will be promptly transmitted by the Agency to the Company and that the Company shall be entitled to retain all such amounts.

(d) Within thirty (30) days of receipt of written request therefor, the Company shall deliver to the Agency official receipts of the appropriate taxing authorities or other proof reasonably satisfactory to the Agency evidencing payment of any tax.

Section 6.4 Insurance Required. At all times throughout the Lease Term, the Company shall, at its sole cost and expense, maintain or cause to be maintained insurance against such risks and for such amounts as are customarily insured against by businesses of like size and type and shall pay, as the same become due and payable, all premiums with respect thereto, including, but not necessarily limited to:

(a) Insurance against loss or damage by fire, lightning and other casualties customarily insured against, with a uniform standard extended coverage endorsement, such insurance to be in an amount not less than the full replacement value of the completed Improvements, exclusive of footings and foundations, as determined by a recognized appraiser or insurer selected by the Company. During the Construction Period, such policy shall be written in the so-called "Builder's Risk Completed Value Non-Reporting Form" and shall contain a provision granting the insured permission to complete and/or occupy.

(b) Workers' compensation insurance, disability benefits insurance and each other form of insurance which the Company or any permitted sublessee is required by law to provide, covering loss resulting from injury, sickness, disability or death of employees of the Company or any permitted sublessee who are located at or assigned to the Facility. This coverage shall be in effect from and after the completion date or on such earlier date as any employees of the Company, any permitted sublessee, any contractor or subcontractor first occupy the Facility.

(c) Insurance protecting the Agency and the Company against loss or losses from liability imposed by law or assumed in any written contract (including the contractual liability assumed by the Company under Section 8.2 hereof) and arising from personal injury, including bodily injury or death, or damage to the property of others, caused by an accident or occurrence with a limit of liability of not less than \$1,000,000.00 (combined single limit for personal injury, including bodily injury or death, and property damage), comprehensive automobile liability including all owned, non-owned and hired autos with a limit of liability of not less than \$1,000,000.00 (combined single limit or equivalent for personal injury, including bodily injury or death, and property damage) protecting the Agency and the

Company against any loss or liability or damage for personal injury, including bodily injury or death, or property damage.

(d) Comprehensive auto liability, including all owned, non-owned and hired autos, with a limit of liability of not less than \$1,000,000.00 (combined single limit for personal injury, including bodily injury or death, and property damage).

(e) A policy or policies of flood insurance in an amount which will adequately insure the Facility or the maximum amount of flood insurance available with respect to the Facility under the Flood Disaster Protection Act of 1973, as amended, whichever is less. This requirement will be waived upon presentation of evidence satisfactory to the Agency that no portion of the Land is located within an area identified by the U.S. Department of Housing and Urban Development as having special flood hazards.

Section 6.5 Additional Provisions Respecting Insurance.

(a) All insurance required by Section 6.4 hereof shall be procured and maintained in financially sound and generally recognized responsible insurance companies selected by the entity required to procure the same and authorized to write such insurance in the State. Such insurance may be written with deductible amounts comparable to those on similar policies carried by other companies engaged in businesses similar in size, character and other respects to those in which the procuring entity is engaged. All policies evidencing the insurance required by Section 6.4 hereof shall provide for at least thirty (30) days' prior written notice of the restriction, cancellation or modification thereof to the Agency. The policy evidencing the insurance required by Section 6.4(c) hereof shall name the Agency as an additional named insured. All policies evidencing the insurance required by Sections 6.4(c) shall name the Agency and the Company as additional insureds. The policies under Section 6.4(a) shall contain appropriate waivers of subrogation.

(b) All policies or certificates (or binders) of insurance required by Sections 6.4 hereof shall be submitted to the Agency on or before the Closing Date. The Company shall deliver to the Agency before the renewal date of each policy a certificate dated not earlier than the immediately preceding month reciting that there is in full force and effect, with a term covering at least the next succeeding calendar year, insurance of the types and in the amounts required by Section 6.4 hereof and complying with the additional requirements of Section 6.5(a) hereof. Prior to the expiration of each such policy, the Company shall furnish the appropriate Person with evidence that such policy has been renewed or replaced or is no longer required by this Leaseback Agreement. The Company shall provide such further information with respect to the insurance coverage required by this Leaseback Agreement as the Agency may from time to time reasonably require.

Section 6.6 Application of Net Proceeds of Insurance. The net proceeds of the insurance carried pursuant to the provisions of Section 6.4 hereof shall be applied as set forth in the mortgage, if any. Once the mortgage has been released, the net proceeds shall be applied as follows: (i) the net proceeds of the insurance required by Sections 6.4(a) and (e) hereof shall be applied as provided in Section 7.1 hereof, and (ii) the net proceeds of the insurance required by Sections 6.4(b), (c), and (d) hereof shall be applied toward extinguishment or satisfaction of the liability with respect to which such insurance proceeds may be paid.

Section 6.7 Right of Agency to Pay Taxes, Insurance Premiums and Other Charges. If the Company fails (i) to pay any tax, together with any fine, penalty, interest or cost which may have been added thereto or become due or been imposed by operation of law for nonpayment thereof, or payments-in-lieu-of-taxes pursuant to the PILOT Agreement, assessment or other governmental charge required to be paid by Section 6.3 hereof, (ii) to maintain any insurance required to be maintained by Section 6.4 hereof, (iii) to pay any amount required to be paid by any law or ordinance relating to the use or occupancy of the Facility or by any requirement, order or notice of violation thereof issued by any governmental person, (iv) to pay any mechanic's Lien which is recorded or filed against the Facility or any part thereof (unless contested in accordance with the provision of Section 8.9(b) hereof), (v) to pay any real property transfer gains tax, together with any interest and penalties thereon, which is due and payable by reason of a conveyance of the leasehold estate in and to the Facility pursuant to a judicial sale in any foreclosure action or by deed and/or assignment in lieu of foreclosure or (vi) to pay any other amount or perform any act hereunder required to be paid or performed by the Company hereunder, the Agency may but shall not be obligated to pay or cause to be paid such tax or payments-in-lieu-of-taxes pursuant to the PILOT Agreement, assessment or other governmental charge or the premium for such insurance or any such other payment or may perform any such act. No such payment shall be made or act performed by the Agency until at least ten (10) days shall have elapsed since notice shall have been given by the Agency to the Company, and in the case of any tax, assessment or governmental charge or the amounts specified in paragraphs (iii), (v) and (vi) hereof, no such payment shall be made in any event if the Company is contesting the same in good faith to the extent and as permitted by this Leaseback Agreement unless an Event of Default hereunder shall have occurred and be continuing. Notwithstanding the provisions of this Section 6.7, if, because of the Company's failure to make payments as described in this Section 6.7, either the Agency, or any of its respective members, directors, officers, agents (except the Company), or employees, shall be threatened with a fine, liability, expense or imprisonment, then the Agency may immediately make payment on behalf of the Company in avoidance thereof. No such payment by the Agency shall affect or impair any rights of the Agency hereunder arising in consequence of such failure by the Company. The Company shall, on demand, reimburse the Agency for any amount so paid or for expenses or costs incurred in the performance of any such act by the Agency pursuant to this Section (which shall include all reasonable legal fees and disbursements), together with interest thereon from the date of payment of such amount, expense or cost by the Agency at two percent (2%) above the prime rate as established by Bank of America or its successor.

Section 6.8 Compliance with Article 31 of Tax Law.

(a) The Company shall keep true and complete records pertaining to its acquisition of the leasehold estate in and to the Facility, all subsequent transfers of any interests therein or any part thereof and all changes in the controlling interest (by way of changes in stock ownership, capital, profits, beneficial interest or otherwise) in the Company or any related entity which may hereafter own and/or acquire title to the fee or the leasehold estate in and to the Facility, including, but not limited to, a copy of the contract of sale, title report (if any), assignment of lease, closing statement, transferor's affidavit, questionnaire or return, statement of tentative assessment and any other notices or determinations of tax received from the New York State Department of Taxation and Finance, transferor's supplemental return, the date and cost of all "capital improvements" made to the Land, the Improvements or any part thereof and evidence of the payment of real property transfer tax imposed by reason of Article 31 of the New York Tax Law and the filing of all reports and any other information or documentation required by the

New York State Department of Taxation and Finance by reason of said Article or any regulations promulgated thereunder. All such records shall be made available to the Agency for inspection from time to time upon their request.

(b) If any real property transfer gains tax shall be due and payable upon the conveyance of the leasehold estate in and to the Facility by the Agency to the Company pursuant to the Leaseback Agreement or upon the conveyance of the leasehold estate in and to the Facility pursuant to a judicial sale in any foreclosure action or by deed and/or assignment in lieu of foreclosure, the Company shall, at the request of the Agency, (i) provide the Agency with a copy of all such records and will prepare, execute, deliver and file any affidavits, questionnaires, returns or supplemental returns required of the Company, as transferor, including, but not limited to, a statement in affidavit form as to the "original purchase price" of the fee or the leasehold estate in and to the Facility and the cost of all "capital improvements" made to the Land, the Improvements or any part thereof by the Company or any related entity and the date or dates on which such improvements were made and (ii) pay or cause to be paid any real property transfer gains tax, together with any interest and penalties thereon, which may be due and payable by reason of such conveyance. The Company hereby appoints the Agency its true and lawful agent and attorney-in-fact (which appointment shall be deemed to be an agency coupled with an interest), with full power of substitution, to prepare, execute, deliver and file on its behalf any and all affidavits, questionnaires, returns and supplemental returns which the Company, as transferor, has failed or refused to execute and deliver to the Agency within thirty (30) days after notice and request therefor.

ARTICLE VII

(a) If the Facility or any part or component shall be damaged or destroyed (in whole or in part) at any time during the Lease Term:

(i) the Agency shall have no obligation to replace, repair, rebuild, restore or relocate the Facility; and

(ii) there shall be no abatement or reduction in the amounts payable by the Company under this Leaseback Agreement (whether or not the Facility is replaced, repaired, rebuilt, restored or relocated); and

(iii) upon the occurrence of such damage or destruction, the net proceeds derived from the insurance shall be paid in accordance with the terms of the mortgage, if any, so long as the mortgage is in effect. After the release of the mortgage, the net proceeds derived from the insurance shall be paid to the Company, except as otherwise provided in Section 11.1 and subsection (d) hereof.

(b) Any replacements, repairs, rebuilding, restorations or relocations of the Facility by the Company after the occurrence of such damage or destruction shall be subject to the following conditions:

(i) the Facility shall be in substantially the same condition and value as an operating entity as existed prior to the damage or destruction;

(ii) the Facility shall continue to constitute a "project" as such term is defined in the Act; and

(iii) the Facility will be subject to no Liens, other than Permitted Encumbrances.

(c) All such repair, replacement, rebuilding, restoration or relocation of the Facility shall be effected with due diligence in a good and workmanlike manner in compliance with all applicable legal requirements, shall be promptly and fully paid for by the Company in accordance with the terms of the applicable contracts, and shall automatically become a part of the Facility as if the same were specifically provided herein.

(d) If the Company shall exercise its option to terminate this Leaseback Agreement pursuant to Section 11.1 hereof, such net proceeds shall be applied to the payment of the amounts required to be paid by Section 11.2 hereof. If an Event of Default hereunder shall have occurred and the Agency shall have exercised its remedies under Section 10.2 hereof, such net proceeds shall be applied to the payment of the amounts required to be paid by Section 10.2 and Section 10.4 hereof.

Section 7.2 Condemnation.

(a) If title to or use of the Facility shall be taken by Condemnation (in whole or in part) at any time during the Lease Term:

(i) the Agency shall have no obligation to replace, repair, rebuild, restore or relocate the Facility or acquire, by construction or otherwise, facilities of substantially the same nature as the Facility ("Substitute Facilities"); and

(ii) there shall be no abatement or reduction in the amounts payable by the Company under this Leaseback Agreement (whether or not the Facility is replaced, repaired, rebuilt, restored or relocated or Substitute Facilities acquired); and

(iii) upon the occurrence of such Condemnation, the net proceeds derived therefrom shall be paid in accordance with the terms of the mortgage, if any, so long as the mortgage is in effect. After the release of the mortgage, the net proceeds derived therefrom shall be paid to the Company except as otherwise provided in Section 11.1 and subsection (d) hereof.

(b) Any replacements, repairs, rebuilding, restorations, relocations of the Facility by the Company after the occurrence of such Condemnation or acquisition by the Company of Substitute Facilities shall be subject to the following conditions:

(i) the Facility or the Substitute Facilities shall be in substantially the same condition and value as an operating entity as existed prior to the Condemnation;

(ii) the Facility or the Substitute Facilities shall continue to constitute a "project" as such term is defined in the Act; and

(iii) the Facility or the Substitute Facilities will be subject to no Liens, other than Permitted Encumbrances.

(c) All such repair, replacement, rebuilding, restoration or relocation of the Facility shall be effected with due diligence in a good and workmanlike manner in compliance with all applicable legal requirements, shall be promptly and fully paid for by the Company in accordance with the terms of the applicable contracts, and shall automatically become a part of the Facility as if the same were specifically described herein.

(d) If the Company shall exercise its option to terminate this Leaseback Agreement pursuant to Section 11.1 hereof, such net proceeds shall be applied to the payment of the amounts required to be paid by Section 11.2 hereof. If any Event of Default hereunder shall have occurred and the Agency shall have exercised its remedies under Section 10.2 hereof, such net proceeds shall be applied to the payment of the amounts required to be paid by Section 10.2 and Section 10.4 hereof.

Section 7.3 Condemnation of Company-Owned Property. The Company shall be entitled to the proceeds of any Condemnation award or portion thereof made for damage to or taking of any Property, which, at the time of such damage or taking, is not part of the Facility.

Section 7.4 Waiver of Real Property Law Section 227. The Company hereby waives the provisions of Section 227 of the Real Property Law of the State or any law of like import now or hereafter in effect.

ARTICLE VIII SPECIAL COVENANTS

Section 8.1 No Warranty of Condition or Suitability by Agency. THE AGENCY MAKES NO WARRANTY, EITHER EXPRESS OR IMPLIED, AS TO THE CONDITION, TITLE, DESIGN, OPERATION, MERCHANTABILITY OR FITNESS OF THE FACILITY OR THAT IT IS OR WILL BE SUITABLE FOR THE COMPANY'S PURPOSES OR NEEDS.

Section 8.2 Hold Harmless Provisions.

(a) The Company agrees that the Agency, its directors, members, officers, agents (except the Company) and employees shall not be liable for and agrees to defend, indemnify, release and

hold the Agency, its directors, members, officers, agents (except the Company) and employees harmless from and against any and all (i) liability for loss or damage to Property or injury to or death of any and all Persons that may be occasioned by, directly or indirectly, any cause whatsoever pertaining to the Facility or arising by reason of or in connection with the occupation or the use thereof or the presence of any Person or Property on, in or about the Facility or the Land or (ii) liability arising from or expense incurred by the Agency's acquiring, remediating, demolishing, constructing, renovating, equipping, owning and leasing the Facility, including without limiting the generality of the foregoing, all claims arising from the breach by the Company of any of its covenants contained herein, the exercise by the Company of the authority conferred upon it pursuant to Section 4.1(d) of this Leaseback Agreement and all causes of action and attorneys' fees and any other expenses incurred in defending any claims, suits or actions which may arise as a result of any of the foregoing, provided that any such losses, damages, liabilities or expenses of the Agency are not incurred or do not result from the gross negligence or intentional or willful wrongdoing of the Agency, or any of its directors, members, agents (except the Company) or employees. The foregoing indemnities shall apply notwithstanding the fault or negligence on the part of the Agency or any of its members, directors, officers, agents or employees and irrespective of the breach of a statutory obligation or the application of any rule of comparative or apportioned liability.

(b) Notwithstanding any other provisions of this Leaseback Agreement, the obligations of the Company pursuant to this Section 8.2 shall remain in full force and effect after the termination of this Leaseback Agreement until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action or prosecution relating to the matters herein described may be brought and payment in full or the satisfaction of such claim, cause of action or prosecution relating to the matters herein described and the payment of all expenses and charges incurred by the Agency, or its respective members, directors, officers, agents and employees, relating to the enforcement of the provisions herein specified.

(c) In the event of any claim against the Agency or its members, directors, officers, agents or employees by any employee or contractor of the Company or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the obligation of the Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation, disability benefits or other employee benefit acts.

Section 8.3 Right to Inspect Facility. The Agency and the duly authorized agents of the Agency shall have the right at all reasonable times to inspect the Facility.

Section 8.4 [Reserved].

Section 8.5 [Reserved].

Section 8.6 Agreement to File Annual Statements and Provide Information. The Company shall file with the New York State Department of Taxation and Finance an annual statement of the value of all sales and use tax exemptions claimed in connection with the Facility in compliance with Section 874(8) of the New York State General Municipal Law. The Company further agrees, whenever requested by the Agency, to provide and certify or cause to be provided and certified such information

concerning the Company, its finances, its operations and its affairs as may be necessary to enable the Agency to make any report required by law, governmental regulation or any of the Agency Documents.

Section 8.7 Books of Record and Account; Financial Statements. The Company at all times agrees to maintain proper accounts, records and book in which full and correct entries shall be made, in accordance with generally accepted accounting principles, of all transactions and events relating to the business and affairs of the Company.

Section 8.8 Compliance With Orders, Ordinances, Etc.

(a) The Company, throughout the Lease Term, agrees that it will promptly comply, and cause any Sublessee or occupant of the Facility to comply, with all statutes, codes, laws, acts, ordinances, orders, judgments, authorizations, directions and requirements, ordinary or extraordinary, which now or at any time hereafter may be applicable to the Facility or any part thereof or to the acquisition, construction and equipping thereof, or to any use, manner of use or condition of the Facility or any part thereof, of all federal, state, county, municipal and other governments, departments, commissions, boards, courts, authorities, officials and officers and companies or associations insuring the premises having jurisdiction of the Facility or any part thereof, or to the acquisition, construction and equipping thereof, or to any use, manner of use or condition of the Facility or any part thereof. The Company shall furnish evidence of such compliance as the Agency may reasonably require with respect thereto. The Company shall provide to the Agency prior to closing of any loan all approvals required for the construction and operation of the Facility.

(b) The Company shall remediate, demolish, construct, renovate, equip, use, operate and manage the Facility, in accordance with all applicable Environmental Laws and Environmental Permits as defined in the Environmental Compliance and Indemnification Agreement, and shall cause all operators, tenants, subtenants, licensees and occupants of the Facility to remediate, demolish, construct, renovate, equip, use, operate and manage the Facility in accordance with any applicable Environmental Laws and Environmental Permits, and shall not cause, knowingly allow or permit the Facility or any part thereof to be operated or used for the storage, treatment, generation, transportation, processing, handling, production, management or disposal of any Hazardous Substances other than in accordance with all applicable Environmental Laws and Environmental Permits. The Company shall obtain and comply with, and shall cause all contractors, subcontractors, operators, tenants, subtenants, licensees and occupants of the Facility to obtain and comply with, all Environmental Permits. The Company shall not cause or knowingly permit any change to be made in the present or intended remediation, demolition, construction, renovation, equipping, use or operation of the Facility which would (i) involve the storage, treatment, generation, transportation, processing, handling, management, production or disposal of any Hazardous Substance other than in accordance with any applicable Environmental Law, or the construction, equipping, use or operation of the Facility as a landfill or waste management or disposal site or for manufacturing or industrial purposes or for the storage of petroleum or petroleum based products other than in accordance with any applicable Environmental Law, (ii) violate any applicable Environmental Laws, (iii) constitute a violation or non-compliance with any Environmental Permit or (iv) increase the risk of a Release of any Hazardous Substance, as said terms are defined in the Environmental Compliance and Indemnification Agreement. The Company shall promptly provide the Agency with a copy of all notifications which the Company gives or receives with respect to environmental conditions at or in the vicinity of the Facility, any past or present Release or the threat of a

Release of any Hazardous Substance on, at or from the Facility or any property adjacent to or within the immediate vicinity of the Facility. If the Company receives or becomes aware of any such notification that is not in writing or otherwise capable of being copied, the Company shall promptly advise the Agency of such verbal, telephonic or electronic notification and confirm such notice in writing. The Company shall undertake and complete all investigations, studies, sampling and testing and all removal or remedial actions necessary to contain, remove and clean up all Hazardous Substances that are or may become present at the Facility and are required to be removed and/or remediated in accordance with all applicable Environmental Laws and all Environmental Permits. The Company shall allow the Agency, its officers, members, employees, agents, representatives, contractors and subcontractors reasonable access to the Facility during regular business hours of the Company for the purposes of ascertaining the environmental conditions at, on or in the vicinity of the Facility, including, but not limited to, subsurface conditions. If at any time the Agency obtains any notice or information that the Company or the Facility or the remediation, demolition, construction, equipping, use or operation of the Facility may be in violation of an Environmental Law or in non-compliance with any Environmental Permit or standard, the Agency may require that a full or supplemental environmental inspection and audit report with respect to the Facility of a scope and level of detail reasonably satisfactory to the Agency be prepared by a professional environmental engineer or other qualified environmental scientist reasonably acceptable to the Agency, at the Company's sole cost and expense. Said audit may, but is not required to or limited to, include a physical inspection of the Facility, a records search, a visual inspection of any property adjacent to or within the immediate vicinity of the Facility, personnel interviews, review of all Environmental Permits and the conduct of a scientific testing. If necessary to determine whether a violation of an Environmental Law exists, such inspection shall also include subsurface testing for the presence of Hazardous Substances in the soil, subsoil, bedrock, surface water and/or groundwater. If said audit report indicates the presence of any Hazardous Substance or a Release or Disposal or the threat of a Release or Disposal of any Hazardous Substance on, at or from the Facility, the Company shall promptly undertake and diligently pursue to completion all necessary, appropriate investigative, containment, removal, clean up and other remedial actions required by any Environmental Law, using methods recommended by the professional engineer or other environmental scientist who prepared said audit report and acceptable to the appropriate federal, state and local agencies or authorities. For purposes of this Section, (i) "Hazardous Materials" includes, without limitation, any flammable explosives, radioactive materials, hazardous materials, hazardous wastes, hazardous or toxic substances, or related materials defined in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (42 U.S.C. Sections 9601, et seq.), the Superfund Amendments and Reauthorization Act of 1986 (Pub.L. No. 99-499, 100 stat. 1613 (1986), the Hazardous Materials Transportation Act, as amended (49 U.S.C. Sections 1801, et seq.), and in the regulations adopted and publications promulgated pursuant thereto, or any other federal, state or local environmental law, ordinance, rule, or regulation; (ii) "Hazardous Substance" means, without limitation, any flammable explosives, radon, radioactive materials, asbestos, urea formaldehyde foam insulation, polychlorinated biphenyls, petroleum, petroleum constituents, petroleum products, methane, hazardous materials, hazardous wastes, hazardous or toxic substances or related materials, pollutants, toxic pollutants, as defined in the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (42 U.S.C. Sections 9601 et seq.), the Hazardous Materials Transportation Act, as amended (49 U.S.C. Section 1801, et seq.), the Solid Waste Disposal Act as amended by the Resource Conservation and Recovery Act (42 U.S.C. Sections 6901, et seq.), the Toxic Substances Control Act, as amended (15 U.S.C. Sections 2601, et seq.), the Federal Waters Pollution Control Act, as amended (33 U.S.C. Sections 1251 et seq.), Articles 17 and 27 of the New York State Environmental Conservation Law or any other applicable Environmental Law

and the regulations promulgated thereunder; (iii) "Disposal" has the same meaning as given to that term in the Solid Waste Disposal Act as amended by the Resource Conservation and Recovery Act, (42 U.S.C. Section 6901 *et seq.*); and (iv) "Release" has the same meaning as given to that term in the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (42 U.S.C. Section 9601, *et seq.*), and the regulations promulgated thereunder. The provisions of this Section shall be in addition to any and all other obligations and liabilities the Company may have to the Agency at common law or otherwise, and shall survive the transactions contemplated herein.

(c) The Company hereby covenants and agrees, at its sole cost and expense, to indemnify, protect, defend, save and hold harmless the Agency, its officers, directors, members, employees, agents and representatives acting in their official capacity, from and against any and all damages, losses, liabilities, obligations, penalties, claims, litigation, demands, defenses, judgments, suits, actions, proceedings, costs, disbursements or expenses (including, without limitation, reasonable attorneys' and reasonable experts' fees, expenses and disbursements, and reasonable attorneys' fees incurred to enforce the terms, conditions and provisions of this agreement) of any kind or nature whatsoever which may at any time be imposed upon, incurred by or asserted or awarded against the Agency relating to, resulting from or arising out of (i) the environmental conditions at, on or in the vicinity of the Facility, (ii) the remediation, demolition, constructing, renovating, equipping, operation or use of the Facility in violation of any applicable Environmental Law for the storage, treatment, generation, transportation, processing, handling, management, production or disposal of any Hazardous Substance or as a landfill or other waste disposal site, or for military, manufacturing or industrial purposes or for the commercial storage of petroleum or petroleum based products or otherwise, (iii) the presence of any Hazardous Substance or a Release or Disposal or the threat of a Release or Disposal of any Hazardous Substance or waste on, at or from the Facility, (iv) the failure to promptly undertake and diligently pursue to completion all necessary, appropriate and legally authorized investigative, containment, removal, clean up and other remedial actions with respect to a Release or the threat of a Release of any Hazardous Substance on, at or from the Facility, required by any Environmental Law, (v) human exposure to any Hazardous Substance, noises, vibrations or nuisances of whatever kind to the extent the same arise from the condition of the Facility or the remediation, demolition, construction, equipping, ownership, use, sale, operation, conveyance or operation thereof in violation of any Environmental Law, (vi) a violation of any applicable Environmental Law, (vii) non-compliance with any Environmental Permit or (viii) a material misrepresentation or inaccuracy in any representation or warranty or a material breach of or failure to perform any covenant made by the Company in the Environmental Compliance and Indemnification Agreement (collectively, the "Indemnified Matters").

(d) Notwithstanding the provisions of subsections (a), (b) and (c) hereof, the Company may in good faith contest the validity or the applicability of any requirement of the nature referred to in such subsections (a) and (b) by appropriate legal proceedings conducted in good faith and with due diligence. In such event, the Company may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom, unless the Agency shall notify the Company that by failure to comply with such requirement or requirements, the Facility or any part thereof may be subject to loss, penalty or forfeiture, in which event the Company shall promptly take such action with respect thereto or provide such security as shall be reasonably satisfactory to the Agency. If at any time the then existing use or occupancy of the Facility shall, pursuant to any zoning or other law, ordinance or regulation, be permitted only so long as such use or occupancy shall continue, the

Company shall use its reasonable efforts to not cause or permit such use or occupancy to be discontinued without the prior written consent of the Agency.

(e) Notwithstanding the provisions of this Section 8.8, if, because of a breach or violation of the provisions of subsections (a), (b) or (c) hereof (without giving effect to subsection (d) hereof), the Agency or any of its members, directors, officers, agents, or employees, shall be threatened with a fine, liability, expense or imprisonment, then, upon notice from the Agency, the Company shall immediately provide legal protection and/or pay amounts necessary or take such other necessary action which, in the opinion of the Agency and its members, directors, officers, agents and employees deem sufficient, to the extent permitted by applicable law, to remove the threat of such fine, liability, expense or imprisonment.

(f) Notwithstanding any provisions of this Section, the Agency retains the right to defend itself in any action or actions which are based upon or in any way related to such Hazardous Materials and Hazardous Substances. In any such defense of itself, the Agency shall select its own counsel, and any and all costs of such defense, including, without limitation, reasonable attorney and consultant fees, reasonable investigation and laboratory fees, court costs, and litigation expenses, shall be paid by the Company.

Section 8.9 Discharge of Liens and Encumbrances.

(a) The Company, throughout the Lease Term, shall not permit or create or suffer to be permitted or created any Lien, except for Permitted Encumbrances, upon the Facility or any part thereof by reason of any labor, services or materials rendered or supplied or claimed to be rendered or supplied with respect to the Facility or any part thereof.

(b) Notwithstanding the provisions of subsection (a) hereof, the Company may in good faith contest any such Lien. In such event, the Company may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom, unless the Agency shall notify the Company that by nonpayment of any such item or items, the Facility or any part thereof may be subject to loss or forfeiture, in which event the Company shall promptly secure payment of all such unpaid items by filing a bond, in form and substance satisfactory to the Agency, thereby causing such Lien to be removed or by taking such other actions as may be satisfactory to the Agency to protect their respective interests. Mechanics' Liens shall be discharged or bonded within thirty (30) days of the filing or perfection thereof.

Section 8.10 Identification of Equipment. All Equipment which is or may become the Property of the Agency pursuant to the provisions of this Leaseback Agreement shall be properly identified by the Company by such appropriate records, including computerized records, as may be approved by the Agency. All Equipment and other Property of whatever nature affixed or attached to the Land or used or to be used by the Company in connection with the Land or the Improvements shall be deemed presumptively to be owned by the Agency, rather than the Company, unless the same were utilized for purposes of construction of the Facility or were installed by the Company and title thereto was retained by the Company as provided in Section 6.2 of this Leaseback Agreement and such Equipment and other Property were properly identified by such appropriate records as were approved by the Agency.

Section 8.11 Depreciation Deductions and Investment Tax Credit. The parties agree that, as between them, the Company shall be entitled to all depreciation deductions with respect to any depreciable property comprising a part of the Facility and to any investment credit with respect to any part of the Facility.

Section 8.12 Employment Opportunities, Notice of Jobs. The Company covenants and agrees that, in consideration of the participation of the Agency in the transactions contemplated herein, it will, except as otherwise provided by collective bargaining contracts or agreements to which it is a party, cause any new employment opportunities created in connection with the Facility to be listed with the New York State Department of Labor, Community Services Division and with the administrative entity of the service delivery area created pursuant to the Job Training Partnership Act (PL 97-300) in which the Facility is located (collectively the "Referral Agencies"). The Company also agrees that it will, except as otherwise provided by collective bargaining contracts or agreements to which it is a party, first consider for such new employment opportunities persons eligible to participate in federal job training partnership (PL 97-300) programs who shall be referred by the Referral Agencies.

Section 8.13 Limitation of Liability of the Agency. The liability of the Agency to the Company under this Leaseback Agreement shall be enforceable only out of the Agency's interest under this Leaseback Agreement, and there shall be no other recourse against the Agency, its officers, members, agents and employees, past, present or future, or any of the property now or hereafter owned by it or them.

ARTICLE IX

ASSIGNMENTS AND SUBLEASING; MORTGAGE AND PLEDGE OF INTERESTS

Section 9.1 Restriction on Sale of Facility; Release of Certain Land, Improvements and/or Equipment.

(a) Except as otherwise specifically provided in this Article IX and in Article X hereof, the Agency shall not sell, convey, transfer, encumber or otherwise dispose of the Facility or any part thereof or any of its rights under this Leaseback Agreement, without the prior written consent of the Company.

(b) The Agency and the Company from time to time may release from the provisions of the Lease Agreement and this Leaseback Agreement and the leasehold estate created hereby any part of, or interest in, the Land, the Improvements and/or the Equipment which is not necessary, desirable or useful for the Facility. In such event, the Agency, at the Company's sole cost and expense, shall execute and deliver, any and all instruments necessary or appropriate to so release such part of, or interest in, the Land, the Improvements and/or the Equipment and convey such title thereto or interest therein, free from the lien of the Lease Agreement and this Leaseback Agreement, to the Company or such other Person as the Company may designate.

Section 9.2 Removal of Equipment.

(a) The Agency shall not be under any obligation to remove, repair or replace any inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary item of Equipment. In any instance where the Company determines that any item of Equipment (except for the Fixtures) has become inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, the Company with the prior written consent of the Agency (which consent may not be unreasonably withheld but may be subject to such reasonable conditions as the Agency may deem appropriate), may remove such items from the Facility and may sell, trade-in, exchange or otherwise dispose of the same, as a whole or in part, provided that such removal will not materially impair the operation of the Facility for the purpose for which it is intended or change the nature of the Facility so that it does not constitute a "project" under the Act.

(b) The Agency shall execute and deliver to the Company all instruments necessary or appropriate to enable the Company to sell or otherwise dispose of any such item of Equipment. The Company shall pay any costs (including reasonable counsel fees) incurred in transferring title to any item of Equipment removed pursuant to this Section 9.2.

(c) The removal of any item of Equipment pursuant to this Section shall not entitle the Company to any abatement or diminution of the rents payable by it under this Leaseback Agreement.

Section 9.3 Assignment and Subleasing.

(a) This Leaseback Agreement may not be assigned, in whole or in part, and the Facility may not be subleased, in whole or in part, without the prior written consent of the Agency in each instance. Any assignment or sublease shall be on the following conditions, as of the time of such assignment or sublease:

(i) no assignment or sublease shall relieve the Company from primary liability for any of its obligations hereunder;

(ii) the assignee or sublessee shall assume the obligations of the Company hereunder to the extent of the interest assigned or subleased;

(iii) the Company shall, within (10) days after the delivery thereof, furnish or cause to be furnished to the Agency a true and complete copy of such assignment or sublease and the instrument of assumption;

(iv) Neither the validity nor the enforceability of the Leaseback Agreement shall be adversely affected thereby;

(v) the Facility shall continue to constitute a "project" as such quoted term is defined in the Act;

(vi) Transaction Counsel has delivered to the Agency, at the sole cost of the Company, an opinion letter confirming that, as a result of the purported assignment or

sublease of the Facility, the Facility shall continue to constitute a “project” as such quoted term is defined in the Act; and

(vii) the Sublessee shall execute an Environmental Compliance and Indemnification Agreement; and such other documents as the Agency and its counsel may reasonably require.

(b) If the Agency shall so request, as of the purported effective date of any assignment or sublease pursuant to subsection (a) of this Section 9.3, the Company at its cost shall furnish the Agency, with an opinion, in form and substance satisfactory to the Agency, of Independent Counsel as to item (iv) above.

Section 9.4 Mortgage and Pledge of Agency's Interests to Bank. The Agency may be requested to (i) mortgage its interest in the Facility, and (ii) pledge and assign its rights to and interest in this Leaseback Agreement and in all amounts payable by the Company pursuant to Section 5.3 hereof and all other provisions of this Leaseback Agreement (other than Unassigned Rights), to a lending institution. The Agency shall not unreasonably withhold its consent to such mortgage, pledge and assignment by the Agency. Notwithstanding the foregoing, all indemnities herein contained shall subsequent to such mortgage, pledge and assignment continue to run to the Agency for its benefit.

Section 9.5 [Reserved]

Section 9.6 Merger of Agency.

(a) Nothing contained in this Leaseback Agreement shall prevent the consolidation of the Agency with, or merger of the Agency into, or transfer of title to the entire Facility to any other public benefit corporation or political subdivision which has the legal authority to own and lease the Facility, provided that upon any such consolidation, merger or transfer, the due and punctual performance and observance of all the agreements and conditions of this Leaseback Agreement to be kept and performed by the Agency shall be expressly assumed in writing by the public benefit corporation or political subdivision resulting from such consolidation or surviving such merger or to which the Facility shall be transferred.

(b) Within thirty (30) days after the consummation of any such consolidation, merger or transfer of title, the Agency shall give notice thereof in reasonable detail to the Company and shall furnish to the Company, at the sole cost and expense of the Company, a favorable opinion of Independent Counsel as to compliance with the provisions of Section 9.6(a) hereof. The Agency promptly shall furnish such additional information with respect to any such transaction as the Company may reasonably request.

ARTICLE X

EVENTS OF DEFAULTS AND REMEDIES

Section 10.1 Events of Default Defined.

(a) The following shall be "Events of Default" under this Leaseback Agreement:

(i) the failure by the Company to pay or cause to be paid on the date due, the amount specified to be paid pursuant to Section 5.3(a) and (b) hereof and upon failure to cure such default within five (5) days of receipt of notice as herein provided;

(ii) the failure by the Company to observe and perform any covenant contained in Sections 8.6 and 9.3 hereof, within five (5) days after receipt of notice;

(iii) any representation or warranty of the Company herein or in any of the Company's Documents shall prove to have been false or misleading in any material respect;

(iv) the failure by the Company to observe and perform any covenant, condition or agreement hereunder on its part to be observed or performed (except obligations referred to in 10.1(a)(i), (ii), and (iii)) for a period of thirty (30) days after written notice, specifying such failure and requesting that it be remedied, given to the Company by the Agency;

(v) the failure by the Company to release, stay, discharge, lift or bond within thirty (30) days any execution, garnishment, judgment or attachment of such consequence as may impair its ability to carry on its operations; or the failure by the Company generally to pay its debts as they become due; or an assignment by the Company for the benefit of creditors; the commencement by the Company (as the debtor) of a case in Bankruptcy or any proceeding under any other insolvency law; or the commencement of a case in Bankruptcy or any proceeding under any other insolvency law against the Company (as the debtor) and a court having jurisdiction in the premises enters a decree or order for relief against the Company as the debtor in such case or proceeding, or such case or proceeding is consented to by the Company or remains undismissed for forty (40) days, or the Company consents to or admits the material allegations against it in any such case or proceeding; or a trustee, receiver or agent (however named) is appointed or authorized to take charge of substantially all of the property of the Company for the purpose of enforcing a lien against such Property or for the purpose of general administration of such Property for the benefit of creditors;

(vi) the invalidity, illegality or unenforceability of the PILOT Agreement or the failure of the Company to make payments thereunder when due; or

(vii) a breach of any covenant or representation contained in Section 8.8 hereof with respect to environmental matters.

(b) Notwithstanding the provisions of Section 10.1(a), if by reason of force majeure any party hereto shall be unable in whole or in part to carry out its obligations under Sections 4.1 and 6.1 of this Leaseback Agreement and if such party shall give notice and full particulars of such force majeure in writing to the other party, within a reasonable time after the occurrence of the event or cause relied

upon, such obligations under this Leaseback Agreement of the party giving such notice (and only such obligations), so far as they are affected by such force majeure, shall be suspended during continuance of the inability, which shall include a reasonable time for the removal of the effect thereof. The term "force majeure" as used herein shall include, without limitation, acts of God, strikes, lockouts or other industrial disturbances, acts of public enemies, acts, priorities or orders of any kind of the government of the United States of America or of the State or any of their departments, agencies, governmental subdivisions, or officials, or any civil or military authority, insurrections, riots, epidemics, landslides, lightning, earthquakes, fire, hurricanes, storms, floods, washouts, droughts, arrests, restraint of government and people, civil disturbances, explosions, breakage or accident to machinery, transmission pipes or canals, shortages of labor or materials or delays of carriers, partial or entire failure of utilities, shortage of energy or any other cause or event not reasonably within the control of the party claiming such inability and not due to its fault. The party claiming such inability shall remove the cause for the same with all reasonable promptness. It is agreed that the settlement of strikes, lockouts and other industrial disturbances shall be entirely within the discretion of the party having difficulty, and the party having difficulty shall not be required to settle any strike, lockout and other industrial disturbances by acceding to the demands of the opposing party or parties.

Section 10.2 Remedies on Default.

(a) Whenever any Event of Default shall have occurred, the Agency may take, to the extent permitted by law, any one or more of the following remedial steps:

(i) declare, by written notice to the Company, to be immediately due and payable, whereupon the same shall become immediately due and payable: (A) all unpaid installments of rent payable pursuant to Section 5.3(a) and (b) hereof and (B) all other payments due under this Leaseback Agreement; provided, however, that if an Event of Default specified in Section 10.1(a)(v) hereof shall have occurred, such installments of rent and other payments due under this Leaseback Agreement shall become immediately due and payable without notice to the Company or the taking of any other action by the Agency;

(ii) re-enter and take possession of the Facility, on ten (10) days written notice to the Company, without terminating this Leaseback Agreement and without being liable for any prosecution or damages therefor, and sublease the Facility for the account of the Company, holding the Company liable for the amount, if any, by which the aggregate of the rents and other amounts payable by the Company hereunder exceeds the aggregate of the rents and other amounts received from the sublessee under such sublease;

(iii) terminate, on ten (10) days written notice to the Company the Lease Term and all rights of the Company under this Leaseback Agreement and, without being liable for any prosecution or damages therefor, exclude the Company from possession of the Facility and lease the Facility to another Person for the account of the Company, holding the Company liable for the amount, if any, by which the aggregate of the rents and other amounts payable by the Company hereunder exceeds the aggregate of the rents and other amounts received from such other Person under the new lease;

(iv) enter upon the Facility and complete the remediation, demolition, construction and renovation of the Facility in accordance with the Plans and Specifications and in connection therewith (a) engage architects, contractors, materialmen, laborers and suppliers and others, (b) employ watchmen to protect and preserve the Facility, (c) assume any contract relating to the Facility and take over and use all labor, materials, supplies and equipment, whether or not previously incorporated into the Facility, (d) pay, settle or compromise all bills or claims, and (e) discontinue any work or change any course of action already undertaken with respect to the Facility;

(v) terminate the Lease Agreement, the Leaseback Agreement and PILOT Agreement. The Agency shall have the right to execute appropriate terminations with respect to the Facility and to place the same on record in the Oneida County Clerk's Office and file with the appropriate Assessor, at the expense of the Company, and in such event the Company waives delivery and acceptance of such documents. The Company does hereby appoint the Agency as its true and lawful agent to execute such instruments and documents as may be necessary and appropriate to effectuate such terminations as aforesaid. Such appointment of the Agency as the agent of the Company shall be deemed to be an agency coupled with an interest and such appointment shall be irrevocable;

(vi) take any other action at law or in equity which may appear necessary or desirable to collect the payments then due or thereafter to become due hereunder, to secure possession of the Facility, and to enforce the obligations, agreements or covenants of the Company under this Leaseback Agreement.
