WHEREAS, the Questionnaire has been reviewed by the Issuer.

NOW, THEREFORE, BE IT RESOLVED by the Oneida County Industrial Development Agency (a majority of the members thereof affirmatively concurring) that:

Section 1.

Based upon the Questionnaire completed by the Company and reviewed by the Issuer and other representations and information furnished by the Company regarding the Facility, the Issuer determined that the action relating to the acquisition, remediation, demolition, renovation, equipping and operation of the Facility is an unlisted action, as that term is defined

in the State Environmental Quality Review Act ("SEQRA") (Article Eight of the Environmental Conservation Law). The Issuer also determined that the action will not have a "significant effect" on the environment and, therefore, an environmental impact statement will not be prepared. This determination constitutes a negative declaration for purposes of the SEQRA. Notice of this determination shall be filed to the extent required by the applicable regulations under that Act or as may be deemed advisable by the Chairman or Executive Director of the Issuer or counsel to the Issuer.

Section 2.

- (a) The acquisition, remediation, demolition, construction, renovation and equipping of the Facility and the financing thereof by the Issuer, through the lease of the Facility to the Company by the Issuer pursuant to a lease-leaseback transaction, will promote job opportunities, health, general prosperity and the economic welfare of the inhabitants of the County and the people of the State of New York and improve their standard of living, and thereby serve the public purposes of the Act and the same is, therefore, approved;
- (b) It is desirable and in the public interest for the Issuer to enter into a lease-leaseback transaction, for the purpose of financing the costs of the acquisition, remediation, demolition, construction, renovation, equipping and financing of the Facility, together with necessary incidental expenses in connection therewith as reflected in the Company's application to the Issuer and as amended from time to time prior to the closing of the lease-leaseback transaction.

Section 3.

The form and substance of a proposed inducement agreement (in substantially the form presented to this meeting) by and between the Issuer and the Company setting forth the undertakings of the Issuer and the Company with respect to the closing of the lease-leaseback transaction, and the development of the Facility (the "Agreement") are hereby approved. The Chairman of the Issuer is hereby authorized, on behalf of the Issuer, to execute and deliver the Agreement, with such changes in terms and form as the Chairman shall approve. The execution thereof by the Chairman shall constitute conclusive evidence of such approval.

Section 4.

Subject to the conditions set forth in Section 4.02 of the Agreement, the Issuer shall (i) acquire, remediate, demolish, remediate, demolish, construct, renovate and equip the Facility, (ii) lease (with an obligation to purchase) or sell the Facility to the Company pursuant to an agreement by and between the Issuer and the Company whereby the Company will be obligated, among other things, to make payments to or for the account of the Issuer.

Section 5.

The Company is herewith and hereby appointed the agent of Issuer to acquire, remediate, demolish, construct, renovate and equip the Facility.

The Company is hereby empowered to delegate its status as agent of the Issuer to agents, subagents, contractors, subcontractors, materialmen, suppliers, vendors and such other parties as the Company may choose in order to acquire, remediate, demolish, construct, renovate and equip the Facility. The terms and conditions for the appointment of the Company as agent of the Issuer for the purposes described in this resolution are set forth in the form of the attached letter addressed to the Company, marked as **Exhibit C** to this resolution. The form of such letter is incorporated herein by reference and is approved and adopted by the Issuer, and the Chairman or Executive Director of the Issuer or any other duly authorized official of the Issuer are authorized to execute and deliver such letter to the company. The Issuer hereby appoints the agents, subagents, contractors, subcontractors, materialmen, vendors and suppliers of the Company as agents of the Issuer solely for purposes of making sales or leases of goods, services, and supplies to the Facility, and any such transaction between any agent, subagent, contractor, subcontractor, materialmen, vendor or supplier, and the Company, as agent of the Issuer shall be deemed to be on behalf of the Issuer and for the benefit of the Facility. The Company shall indemnify the Issuer with respect to any transaction of any kind between and among the agents, subagents, contractors, subcontractors, materialmen, vendors and/or suppliers and the Company, as agent of the Issuer.

Section 6. The law firm of Bond, Schoeneck & King, PLLC is appointed Bond Counsel in connection with the issuance of the Bonds, or, in the alternative, Transaction Counsel in connection with the lease-leaseback transaction.

Section 7. Counsel to the Issuer and Bond Counsel are hereby authorized to work with counsel to the Company and others to prepare, for submission to the Issuer, all documents necessary to effect the authorization, issuance and sale of the Bonds, if any.

Section 8. The Chairman of the Issuer is hereby authorized and directed (i) to distribute copies of this resolution to the Company, and (ii) to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this resolution.

CONTRACT IN LIEU OF EXEMPTION CERTIFICATE

This Contract is entered into by and between **GRIFFISS LOCAL DEVELOPMENT CORPORATION** (the "Company"), as agent for and on behalf of the Oneida County Industrial Development Agency, a public benefit corporation and a governmental agency of the State of New York (the "Agency") in connection with renovation and equipping of the facility described in Addendum A hereto (the "Facility") and the contractor or the subcontractor more particularly described on page 2 hereof (the "Contractor").

Pursuant to the authority granted to the Company, as agent of the Agency, the Contractor is hereby appointed agent of said Agency for purposes of completing, executing or otherwise carrying out the obligations imposed under this Contract.

The Contractor acknowledges that the Agency has acquired or will acquire title to or a leasehold interest in the Facility and the Agency is a public benefit corporation and governmental entity of the State of New York. By reason of such status, Agency and its agents acting on its behalf are exempt from payment of all New York State and local sales and use taxes on the purchase or lease of all materials, equipment, goods, services and supplies incorporated into and made an integral component part of any structure, building or real property which becomes the property of Agency, and all equipment, machinery and other tangible personal property (including installation costs with respect thereto) which becomes the property of Agency or in which the Agency has a leasehold interest. If the Contractor does not comply with the requirements for sales and use tax exemptions, as described above, then it shall be responsible for and pay any and all applicable New York State sales and use taxes, and no portion thereof shall be charged or billed to the Agency or the Company directly or indirectly, the intent of this Contract being that neither Agency nor the Company shall be liable for any of the sales or use taxes described above. This Contract may be accepted by the Contractor in lieu of an exemption certificate, and the Contractor shall retain a copy hereof to substantiate the sales and use tax exemption.

The aforesaid appointment of the Company as agent of the Agency to acquire, remediate, demolish, construct and equip the Facility shall expire at the earlier of (a) the completion of such activities and improvements, or (b) April 11, 2015, provided, however, such appointment may be extended at the discretion of the Agency, upon the written request of the Company if such activities and improvements are not completed by such time, and further provided that the Agency shall not unreasonably withhold its consent to the extension of such appointment.

The Agency shall have the right to assign this Contract to the Company by written notice to the Contractor and without written consent of the Contractor, in which case Agency shall be

relieved of all obligations hereunder. In the event of such assignment, all applicable sales and use taxes shall be added to the purchase price and paid to the Contractor pursuant to a change order. RE: GLDC Bldg. 240 Public Hearing

Attendees: John Miller, Christopher Militello, Jef Saunders, Joe Surace, Steve DiMeo

From Agency: Jennifer Waters, Shawna Papale

Public hearing opened at 9:00 AM.

Jennifer Waters read the public hearing notice aloud. Shawna Papale went over OCIDA public hearing process.

Jef Saunders explained the project to attendees. He stated that the Building 240 property was not a BRAC property, but GLDC owns the surrounding land. He also stated that the current building is in very bad shape including having mold, asbestos and roof leaks and cannot be economically renovated and would need to be demolished. He also stated that Griffiss Local Development Corporation bid on the building using the GSA public auction website.

John Miller questioned if GLDC paid for the land given to them by the Air Force.

Jef Saunders stated that GLDC has spent millions transforming the Air Force Base into a successful business and technology park. He also stated that the municipalities did not want the liability of the property. He also said that GLDC plans on demolishing the building which will cost around \$3 million and the GLDC Board of Directors decided that they wanted to purchase the property to create a development parcel and gain control over an important corner in the park. They did not want what happened at Woodhaven to happen at one of the most prominent corners in the park. GLDC's plan is to assemble the monies needed to demolish the building, but that may take some time.

John Miller questioned where GLDC's money came from to purchase the building.

Steve DiMeo stated that GLDC used proceeds from other real estate transactions to purchase this property out of its cash account.

John Miller questioned whether GLDC acted in the public interest to purchase the property and engage in the bidding war with public funds.

Steve DiMeo responded that GLDC did act in the public trust to secure the property.

John Miller questioned the length of the PILOT.

Jef Saunders stated that if another party gained control of the property without the wherewithal to properly develop it- it would devalue all the property in the vicinity, including private development like Nunn's Hospital Supply, Oneida Savings Bank and AmeriCU, not to mention the new investment of the hotel that is currently under construction. The Board did not want another Woodhaven in the city of Rome.

John Miller questioned the tax abatement given to the Hampton Inn project and lumps these two projects together.

Steve DiMeo stated that other bidders had called the City and the OCIDA about potential tax relief so if it wasn't GLDC purchasing the building- some other party would probably be in front of the IDA asking for tax abatement.

John Miller stated that it seems like the OCIDA is putting business in front of tax payers and citizens.

Steve DiMeo stated that as an Air Force base Griffiss generated zero in taxes, but now it generates over \$5.5 million as well as 3x the water and sewer fees and Griffiss has had a positive impact on the City of Rome and Oneida County.

John Miller questioned how it is in the public interest for GLDC to purchase the property if other people were bidding on it.

Steve DiMeo stated that GLDC was not happen that it went to public auction to begin with. GLDC would have much rather been given the opportunity to negotiate with the government on a purchase price. GLDC purchased the property to further its mission and had many park tenants approach them to make sure they purchased it. The property is blighted and has a huge liability. He also stated that this is not the first time GLDC has demolished property for reuse and cited the example of Skyline, Family Dollar and Enterprise Way.

John Miller stated that it is not in the public interest when tax exemptions for corporations are taken away from tax payers.

Steve DiMeo stated that this wouldn't be taken away from tax payers because the building was never on the tax rolls to begin with.

Steve DiMeo stated that if someone else bought it- they would probably put an application in the OCIDA as well.

John Miller stated that this is another example of privatizing profits and socializing the process. He also questioned when money in the form of tax relief is in the public best interest, for example Destiny USA.

Joe Surace stated that Oneida County is getting jobs here and those people are living here. He also stated as an assessor some people get tax abatements and some don't but they ultimately come onto the tax rolls.

Chris Militello stated that the Rome City School District has reviewed the application and understand the project. The School has the consistent position that the redevelopment of Griffiss justifies a 10-year tax abatement and that GLDC invests their time and money to make a productive reuse out of the property and generate taxes and jobs. Currently that property does neither and needs to be redeveloped. The position of the School has and will remain that the tax abatement should be limited to a 10-year period and then go back on the tax rolls after that. He stated that this PILOT is an appropriate amount of tax relief for the purpose of redevelopment and greater economic good. The School District supports the project with those comments.

Joe Surace stated that a 10-year tax abatement with no extension is what the City would like to see and questioned when the PILOT would start.

Jef Saunders stated that it would start in the 2014-15 tax year.

Joe Surace stated that GLDC has done a great job and made the best in a difficult situation.

Public Hearing was closed at 9:40 AM and it was stated that written comments will be received until the next OCIDA meeting on June 20th.
