AGREEMENT

NOW THEREFORE, for and in consideration of the premises and the mutual covenants hereinafter contained, and other good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, the parties hereby formally covenant, agree and bind themselves as follows:

Section 1.1 Representations and Covenants of Agency.

The Agency makes the following representations and covenants as the basis for the undertakings on its part herein contained:

(a) The Agency is duly established and validly existing under the provisions of the Act and has full legal right, power and authority to execute, deliver, and perform each of the Agency Documents and the other documents contemplated thereby. Each of the Agency Documents and the other documents contemplated thereby has been duly authorized, executed and delivered by the Agency.

(b) The Agency will take a leasehold interest in the Facility, lease the Facility to the Company pursuant to this Leaseback Agreement and designate the Company as its agent for purposes of the Project, all for the purpose of promoting the industry, health, welfare, convenience and prosperity of the inhabitants of the State and the County of Oneida and improving their standard of living.

(c) By resolution adopted on March 26, 2024, the Agency determined that, based upon the review by the Agency of the materials submitted and the representations made by the Company relating to the Facility, the Facility would not have a "significant impact" or "significant effect" on the environment within the meaning of the SEQR Act.

(d) Neither the execution and delivery of any of the Agency Documents and the other documents contemplated thereby nor the consummation of the transactions contemplated thereby nor the fulfillment of or compliance with the provisions of any of the Agency Documents and the other documents contemplated thereby, will conflict with or result in a breach of or constitute a default under any of the terms, conditions or provisions of the Act, any other law or ordinance of the State or any political subdivision thereof or of the Agency's Certificate of Establishment or Bylaws, as amended, or of any corporate

restriction or any agreement or instrument to which the Agency is a party or by which it is bound, or result in the creation or imposition of any Lien of any nature upon any of the Property of the Agency under the terms of the Act or any such law, ordinance, Certificate of Establishment, Bylaws, restriction, agreement or instrument.

(e) Each of the Agency Documents and the other documents contemplated thereby constitutes a legal, valid and binding obligation of the Agency enforceable against the Agency in accordance with its terms.

(f) The Agency has been induced to enter into this Leaseback Agreement by the undertaking of the Company to acquire, renovate, equip, maintain and repair the Facility and to promote employment opportunities in Oneida County, New York.

Section 1.2 Representations and Covenants of Company.

The Company makes the following representations and covenants as the basis for the undertakings on its part herein contained:

(a) The Company is a corporation duly organized and validly existing under the laws of the State of New York, and has full legal right, power and authority to execute, deliver and perform each of the Company Documents and the other documents contemplated thereby. Each of the Company Documents and the other documents contemplated thereby has been duly authorized, executed and delivered by the Company and each constitutes a legal, valid and binding obligation of the Company enforceable against the Company in accordance with its respective terms.

(b) Neither the execution and delivery of any of the Company Documents and the other documents contemplated thereby nor the consummation of the transactions contemplated thereby nor the fulfillment of or compliance with the provisions of any of the Company Documents and the other documents contemplated thereby, will conflict with or result in a breach of or constitute a default under any of the terms, conditions or provisions of the Certificate of Incorporation of the Company, the Bylaws of the Company, any law or ordinance of the State or any political subdivision thereof, or any restriction or any agreement or instrument to which the Company is a party or by which it is bound, or result in the creation or imposition of any Lien of any nature upon any of the Property of the Company under the terms of any such law, ordinance, restriction, agreement or instrument.

(c) The providing of the Facility by the Agency and the leasing thereof by the Agency to the Company will not result in the removal of an industrial or manufacturing plant, facility or other commercial activity of the Company from one area of the State to another area of the State nor result in the abandonment of one or more commercial or manufacturing plants or facilities of the Company located within the State and, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries.

(d) The Facility and the design, renovation, equipping and operation thereof will conform with all applicable zoning, planning, building and environmental laws, ordinances, rules and regulations of governmental authorities having jurisdiction over the Facility. The Company shall defend, indemnify and hold harmless the Agency for expenses,

including attorneys' fees, resulting from any failure of the Company to comply with the provisions of this subsection (d).

(e) The Company has caused to be transferred to the Agency a leasehold interest in all those properties and assets contemplated by this Leaseback Agreement and all documents related hereto, and has not transferred to the Agency any properties and assets not contemplated by this Leaseback Agreement.

(f) There is no action, litigation, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body, pending, or, to the knowledge of the Company, threatened against or affecting the Company, to which the Company is a party, and in which an adverse result would in any way diminish or adversely impact on the Company's ability to fulfill its obligations under this Leaseback Agreement or any of Company Documents or the transactions contemplated therein.

(g) The Company covenants that the Facility will comply in all respects with all environmental laws and regulations and, except in compliance with environmental laws and regulations, (i) that no pollutants, contaminants, solid wastes, or toxic or hazardous substances will be stored, treated, generated, disposed of, or allowed to exist on the Facility except in compliance with all material applicable laws, (ii) the Company will take all reasonable and prudent steps to prevent an unlawful release of hazardous substances onto the Facility or onto any other property, (iii) that no asbestos will be incorporated into or disposed of on the Facility, (iv) that no underground storage tanks will be located on the Facility, and (v) that no investigation, order, agreement, notice, demand or settlement with respect to any of the above is threatened, anticipated or in existence. The Company upon receiving any information or notice contrary to the representations contained in this Section shall immediately notify the Agency in writing with full details regarding the same. The Company hereby releases the Agency from liability with respect to, and agrees to defend, indemnify, and hold harmless the Agency, its executive director, directors, members, officers, employees, agents (except the Company), representatives, successors and assigns from and against any and all claims, demands, damages, costs, orders, liabilities, penalties and expenses (including reasonable attorneys' fees) related in any way to any violation of the covenants or failure to be accurate of the representations contained in this Section. In the event the Agency in its reasonable discretion deems it necessary to perform due diligence with respect to any of the above, or to have an environmental audit performed with respect to the Facility, the Company agrees to pay the expenses of same to the Agency upon demand, and agrees that upon failure to do so, its obligation for such expense shall be deemed to be additional rent.

(h) In its Application for Financial Assistance dated March 25, 2024 the Company made representations that it would retain the existing 115 FTEs at the Oneida Facility for the Lease Term and create an additional 15 FTEs at the Facility by the end of the third year of the Lease Term and maintain all for the duration of the Lease Term as a result of undertaking the Facility (the "Employment Obligation"). The Company acknowledges that the Financial Assistance is conditioned upon the Company maintaining the Employment Obligation for the term of the Leaseback Agreement and completing the Project substantially as it represented in the Application, and failure to do so may result in the termination or recapture of Financial Assistance.

ARTICLE II

DEMISING CLAUSES AND RENTAL PROVISIONS

Section 2.1 Agreement to Convey to Agency.

The Company has conveyed to the Agency a leasehold interest in real property, including any buildings, structures or improvements thereon, described in Exhibit A attached hereto and the Company has or will convey all of the interest in the Equipment described in Exhibit B. The Company agrees that the Agency's interest in the Facility resulting from said conveyances will be sufficient for the purposes intended by this Leaseback Agreement and agrees that it will defend, indemnify and hold the Agency harmless from any expense or liability arising out of a defect in title or a lien adversely affecting the Facility and will pay all reasonable expenses incurred by the Agency in defending any action with respect to title to or a lien affecting the Facility.

Section 2.2 Renovation and Equipping of the Facility.

(a) The Company, as agent for the Agency, will undertake the Project. The Company hereby covenants and agrees to annually file with the Department of Taxation and Finance the statement required by General Municipal Law Section 874(8) concerning the value of sales tax exemptions claimed.

(b) The Agency hereby confirms its appointment of the Company effective March 26, 2024 as its true and lawful agent to perform the following in compliance with the terms, purposes and intent of the Agency Documents, and the Company hereby confirms its acceptance of such appointment effective as of such date: (1) to acquire, renovate, equip and complete the Facility, (2) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions with any other Persons, and in general to do all things which may be requisite or proper, all for the acquisition, renovation, equipping and completion of the Facility, with the same powers and with the same validity as the Agency could do if acting in its own behalf, provided that the liability of the Agency thereunder shall be limited to the moneys made available therefor by the Company and advanced for such purposes by the Company pursuant to this Leaseback Agreement, (3) to pay all fees, costs and expenses incurred in the acquisition, renovation, equipping and completion of the Facility from funds made available therefor in accordance with this Leaseback Agreement, and (4) to ask, demand, sue for, levy, recover and receive all such sums of money, debts, dues and other demands whatsoever which may be due, owing and payable to the Agency under the terms of any contract, order, receipt or writing in connection with the acquisition, renovation, installation and completion of the Facility and to enforce the provisions of any contract, agreement, obligation, bond or other performance security in connection with the same. Without limiting the generality of the foregoing, the Company's appointment as agent includes the authority to purchase, rent, lease, and otherwise use tools, machinery and equipment in connection with renovating and equipping the Facility, to purchase, rent, lease, use and consume supplies, materials and services of every kind and description in connection with the renovation and equipping of the Facility, and to purchase, rent, lease, and use equipment, machinery and other tangible personal property (including without limitation installation costs) installed or placed in, on, under or over the Facility.

(c) Pursuant to Section 874(9) of the Act, the Agency hereby confirms that it filed within thirty (30) days of the agency appointment with the New York State

Department of Taxation and Finance, on a form and in such manner as is prescribed by the New York State Commissioner of Taxation and Finance (the "Thirty-Day Sales Tax Report"), a statement identifying the Company as agent of the Agency, setting forth the taxpayer identification number of the Company, giving a brief description of the goods and/or services intended to be exempted from sales taxes as a result of such appointment as agent, indicating a rough estimate of the value of the goods and/or services to which such appointment as agent relates, indicating the date when such designation as agent became effective and indicating the date upon which such designation as agent shall cease.

(d) The Company acknowledges, pursuant to Section 875(5) of the Act, the Thirty-Day Sales Tax Report may not be utilized as the basis to make any purchase exempt from sales tax, and that use of the Thirty-Day Sales Tax Report in such manner will both (1) subject the Company or any user to civil and criminal penalties for misuse of a copy of such statement as an exemption certificate or document or for failure to pay or collect tax as provided in the tax law and (2) be deemed to be under articles twenty-eight and thirty-seven of the New York State tax law, the issuance of a false or fraudulent exemption certificate or document with intent to evade tax. The Company shall receive a sales tax exemption letter with respect to the Project (the "Sales Tax Exemption Letter"). The Company or any user is required to utilize a Form ST-123 (a form of which is attached to the Sales Tax Exemption Letter) to obtain the sales tax exemption.

(e) The Agency recognizes that the Company may exercise the functions of agent of the Agency pursuant to Section 2.2(b) of this Leaseback Agreement either directly or through a series of contractors, subcontractors or other third parties. In many cases, purchases made by such contractors, subcontractors or other third parties will be exempt from sales and use taxes imposed in New York State for one or more of the reasons set forth in Section 1116(a) of the Tax Law of the State of New York, as indicated in Form ST-120.1 promulgated by the New York State Department of Taxation and Finance. However, from time to time, the Company may desire (1) to appoint a contractor, subcontractor or other third party as sub-agent of the Company with respect to the Project (a "Third Party Agent"), and (2) that such Third Party Agent be recognized by the New York State Department of Taxation and Finance as a sub-agent of the Agency. In this event, the Company may request that the Agency execute a Form ST-60 (IDA Appointment of Project Operator or Agent) (a "Third Party Thirty-Day Sales Tax Report") notifying the New York State Department of Taxation and Finance that the Company has appointed a Third Party Agent to act as sub-agent of the Agency with respect to the Project. The Agency will grant such request upon receipt by the Agency from the Company of the following:

(1) a completed Third Party Thirty-Day Sales Tax Report with respect to such proposed Third Party Agent, (A) containing a statement identifying such proposed Third Party Agent as an indirect sub-agent of the Agency, (B) containing the taxpayer identification number of such proposed Third Party Agent, (C) indicating that such proposed Third Party Agent was appointed by the Company and not by the Agency, (D) containing a brief description of the goods and/or services intended to be exempted from sales taxes as a result of the appointment of such Third Party Agent as sub-agent of the Agency, (E) containing a rough estimate of the value of the goods and/or services which the Company expects such proposed Third Party Agent will purchase or rent in its capacity as sub-agent of the Agency, (F) containing the date when such designation of the proposed Third Party Agent as sub-agent of the Agency is intended to become effective, and (G) containing the date upon which

such designation of the proposed Third Party Agent as sub-agent of the Agency shall cease;

(2) a certificate of insurance, complying with the requirements of Section 3.4 and Section 3.5 of this Leaseback Agreement as applicable to a sub-agent, indicating that (A) the Third Party Agent maintains insurance with respect to the Facility providing the coverage against the risks and for such amounts as are mandated by Section 3.4 of this Leaseback Agreement and (B) all policies evidencing such insurance (i) name the Third Party Agent, the Company and the Agency as insureds, as their interests may appear, and (ii) provide for at least thirty (30) days' written notice to the Third Party Agent, the Company and the Agency prior to cancellation, lapse, reduction in policy limits or material change in coverage thereof.

Upon receipt of such Third Party Thirty-Day Sales Tax Report and certificate of insurance, the Agency will execute and deliver to the Company the Third Party Thirty-Day Sales Tax Report. Upon receipt of such Third Party Thirty-Day Sales Tax Report, the Company agrees to file the same with the New York State Department of Taxation and Finance.

Section 2.3 Demise of Facility.

The Agency hereby demises and leases the Facility to the Company and the Company hereby rents and leases the Facility from the Agency upon the terms and conditions of this Leaseback Agreement.

Section 2.4 Remedies to be Pursued Against Contractors, Subcontractors, Materialmen and their Sureties.

In the event of a default by any contractor, subcontractor, materialman or other person under any contract made by it in connection with the Facility or in the event of a breach of warranty or other liability with respect to any materials, workmanship, or performance guaranty, the Company at its expense, either separately or in conjunction with others, may pursue any and all remedies available to it and the Agency, as appropriate, against the contractor, subcontractor, materialman or other Person so in default and against any surety for the performance of such contract. The Company, in its own name or in the name of the Agency, may prosecute or defend any action or proceeding or take any other action involving any such contractor, subcontractor, materialman or surety or other person which the Company deems reasonably necessary, and in such event the Agency, at the Company's expense, hereby agrees to cooperate fully with the Company and to take all action necessary to effect the substitution of the Company for the Agency in any such action or proceeding. The Company shall advise the Agency of any actions or proceedings taken hereunder. The Agency may but shall not be obligated to prosecute or defend any action or proceeding or take any other action involving any such contractor, subcontractor, materialman or surety or other person which the Agency deems reasonably necessary, at the Company's expense.

Section 2.5 Duration of Lease Term; Quiet Enjoyment.

(a) The Agency shall deliver to the Company sole and exclusive possession of the Facility (subject to Sections 5.3 and 7.1 hereof) and the leasehold estate

created hereby shall commence on the Closing Date and the Company shall accept possession of the Facility on the Closing Date.

(b) The leasehold estate created hereby shall terminate at 11:59 p.m. on December 31, 2035 or on such earlier date as may be permitted by (i) Section 8.1 hereof or (ii) the results of the Agency's Annual Project Review as described in the Job Creation and Recapture Agreement.

(c) The period commencing on the date described in Section 2.5(a) herein through the date described in Section 2.5(b) herein shall be herein defined as the Lease Term.

(d) Except as provided in Sections 5.3 and 7.1 hereof, the Agency shall neither take nor suffer or permit any action to prevent the Company during the Lease Term from having quiet and peaceable possession and enjoyment of the Facility and will, at the request of the Company and at the Company's cost, cooperate with the Company in order that the Company may have quiet and peaceable possession and enjoyment of the Facility as hereinabove provided.

Section 2.6 Rents and Other Amounts Payable.

(a) The Company shall pay basic rent for the Facility as follows: Seven Hundred Fifty Dollars (\$750.00) per year commencing on the Closing Date and on the First Business Day of each and every January thereafter during the Lease Term.

(b) In addition to the payments of rent pursuant to Section 2.6(a) hereof, throughout the Lease Term, the Company shall pay to the Agency as additional rent, within ten (10) days of receipt of demand therefore, the expenses of the Agency and the members thereof incurred, including reasonable attorneys' fees, (i) by reason of the Agency's ownership or leasing of the Facility or (ii) in connection with the carrying out of the Agency's duties and obligations under the Agency Documents, the payment of which is not otherwise provided for under this Leaseback Agreement. The foregoing shall not be deemed to include any annual or continuing administrative or management fee beyond any initial administrative fee or fee for services rendered by the Agency.

(c) The Company, under the provisions of this Section 2.6, agrees to make the above-mentioned payments in immediately available funds and without any further notice in lawful money of the United States of America. In the event the Company shall fail to timely make any payment required in Section 2.6(a) or 2.6(b), the Company shall pay the same together with interest on such payment at a rate equal to two percent (2%) plus the prime rate as established by Bank of America, but in no event at a rate higher than the maximum lawful prevailing rate, from the date on which such payment was due until the date on which such payment is made.

Section 2.7 Obligations of Company Hereunder Unconditional. The obligations of the Company to make the payments required in Section 2.6 hereof, and to perform and observe any and all of the other covenants and agreements on its part contained herein shall be general obligations of the Company, and shall be absolute and unconditional irrespective of any defense or any rights of setoff, recoupment or counterclaim it may otherwise have against the Agency or any other Person. The Company agrees it will not (i) suspend, discontinue or abate any payment required hereunder, (ii) fail to observe

any of its other covenants or agreement in this Leaseback Agreement or (iii) terminate this Leaseback Agreement for any cause whatsoever except as otherwise herein provided.

Subject to the foregoing provisions, nothing contained in this Section 2.7 shall be construed to release the Agency from the performance of any of the agreements on its part contained in this Leaseback Agreement or to affect the right of the Company to seek reimbursement, and in the event the Agency should fail to perform any such agreement, the Company may institute such separate action against the Agency as the Company may deem necessary to compel performance or recover damages for non-performance, and the Agency covenants that it will not, subject to the provisions of Section 5.2 hereof, take, suffer or permit any action which will adversely affect, or create any defect in its title to the Facility or which will otherwise adversely affect the rights or estate of the Company hereunder, except upon written consent of the Company.

Section 2.8 Special Obligation.

(a) The obligations of the Agency under the Agency Documents constitute a special obligation of the Agency, and all charges payable pursuant to or expenses or liabilities incurred thereunder shall be payable solely out of the revenues and other moneys of the Agency derived and to be derived from the leasing of the Facility, any sale or other disposition of the Equipment and as otherwise provided in the Authorizing Resolution, the Lease Agreement, this Leaseback Agreement and the PILOT Agreement. Neither the members, officers, agents (except the Company) or employees of the Agency, nor any person executing the Agency Documents, shall be liable personally or be subject to any personal liability or accountability by reason of the leasing, construction, renovation, equipping or operation of the Facility. The obligations of the Agency under the Agency Documents are not and shall not be an obligation of the State or any municipality of the State and neither the State nor any such municipality (including, without limitation, the County of Oneida) shall be liable thereon.

(b) All payments made by the Agency or on behalf of the Company pursuant to the Agency Documents shall, to the extent of the sum or sums so paid, satisfy and discharge the liability of the Agency for moneys payable pursuant to the Agency Documents.

ARTICLE III

Section 3.1 Maintenance and Modifications of Facility by Company.

(a) The Company shall not abandon the Facility or cause or permit any waste to the Improvements. During the Lease Term, the Company shall not remove any part of the Facility outside of the jurisdiction of the Agency and shall (i) keep the Facility in as reasonably safe condition as its operation shall permit; (ii) make all necessary repairs and replacements to the Facility (whether ordinary or extraordinary, structural or nonstructural, foreseen or unforeseen); and (iii) operate the Facility in a sound and economic manner.

(b) With the written consent of the Agency, which shall not be unreasonably withheld, the Company at its own expense from time to time may make any structural additions, modifications or improvements to the Facility or any part thereof,

provided such actions do not adversely affect the structural integrity of the Facility. All such additions, modifications or improvements made by the Company shall become a part of the Facility and the Property of the Agency; provided, however, the Company shall not be qualified for a sales and use tax exemption when making said additions, modifications or improvements. The Company agrees to deliver to the Agency all documents that may be necessary or appropriate to convey to the Agency title to such Property.

Section 3.2 Installation of Additional Equipment.

The Company or any permitted sublessee of the Company from time to time may install additional machinery, equipment or other personal property in the Facility (which may be attached or affixed to the Facility), and such machinery, equipment or other personal property shall not become, or be deemed to become, a part of the Facility. The Company from time to time may remove or permit the removal of such machinery, equipment and other personal property from the Facility, provided that any such removal of such machinery, equipment or other personal property shall not occur (i) if any Event of Default which has not been cured has occurred; or (ii) if any such removal shall adversely affect the structural integrity of the Facility or impair the overall operating efficiency of the Facility for the purposes for which it is intended, and provided further, that if any damage is occasioned to the Facility by such removal, the Company agrees to promptly repair such damage at its own expense; or (iii) if any such removal results in the Facility to not constitute a "Project" as such term is defined in the Act.

Section 3.3 Taxes, Assessments and Utility Charges.

(a) The Company agrees to pay, or cause to be paid, as the same become due and before any fine, penalty, interest (except interest which is payable in connection with legally permissible installment payments) or other cost may be added thereto or becomes due or be imposed by operation of law for the non-payment thereof, (i) all taxes, payments in lieu of taxes and governmental charges of any kind whatsoever which may at any time be lawfully assessed or levied against or with respect to the Facility and any machinery, equipment or other Property installed or brought by the Company therein or thereon, including, without limiting the generality of the foregoing, any sales or use taxes imposed with respect to the Facility or any part or component thereof, or the rental or sale of the Facility or any part thereof and any taxes levied upon or with respect to the income or revenues of the Agency from the Facility; (ii) all utility and other charges, including service charges, incurred or imposed for or with respect to the operation, maintenance, use, occupancy, upkeep and improvement of the Facility; (iii) all assessments and charges of any kind whatsoever lawfully made by any governmental body for public improvements; and (iv) all payments under the PILOT Agreement; provided that, with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the Company shall be obligated under this Leaseback Agreement to pay only such installments as are required to be paid during the Lease Term.

(b) The Company, at its own expense and in its own name and on behalf of or in the name of the Agency but with notice to the Agency, may in good faith contest any such taxes, assessments and other charges. In the event of any such proceedings, the Company may permit the taxes, assessments or other charges so contested to remain unpaid during the period of such proceedings and any appeal therefrom, provided, however, that (i) neither the Facility nor any part thereof or interest therein would be in any immediate danger of being sold, forfeited or lost by reason of such proceedings; (ii) the Company shall

have set aside on its books adequate reserves with respect thereto and shall have furnished such security, if any, as may be required in such proceedings or requested by the Agency; and (c) the Owner or the Company, as appropriate, must provide written notice to the Agency at least forty-five (45) days prior to filing for a change in assessment.

(c) The Agency agrees that if it or the Company contests any taxes, assessments or other charges provided for in paragraph (b) hereof, all sums returned, as a result thereof, will be promptly transmitted by the Agency to the Company and that the Company shall be entitled to retain all such amounts.

(d) Within thirty (30) days of receipt of written request therefor, the Company shall deliver to the Agency official receipts of the appropriate taxing authorities or other proof reasonably satisfactory to the Agency evidencing payment of any tax or PILOT Payment.

Nothing in this Leaseback Agreement shall be interpreted to mean that the Agency has any obligation to monitor the use, manner of use, condition or operation of the Facility.

(b) The Company shall renovate, equip, use, operate and manage the Facility, in accordance with all applicable Environmental Laws and Environmental Permits (as such terms are defined in the Environmental Compliance and Indemnification Agreement), and shall cause all operators, tenants, subtenants, licensees and occupants of the Facility to construct, equip, use, operate and manage the Facility in accordance with any applicable Environmental Laws and Environmental Permits, and shall not cause, allow or permit the Facility or any part thereof to be operated or used for the storage, treatment, generation, transportation, processing, handling, production, management or disposal of any Hazardous Substances other than in accordance with all applicable Environmental Laws and Environmental Permits. The Company shall obtain and comply with, and shall cause all contractors, subcontractors, operators, tenants, subtenants, licensees and occupants of the Facility to obtain and comply with, all Environmental Permits. The Company shall not cause or permit any change to be made in the present or intended construction, equipping, use or operation of the Facility which would (i) involve the storage, treatment, generation, transportation, processing, handling, management, production or disposal of any Hazardous Substance other than in accordance with any applicable Environmental Law, or the renovation, equipping, use or operation of the Facility as a landfill or waste management or disposal site or for manufacturing or industrial purposes or for the storage of petroleum or petroleum based products other than in accordance with any applicable Environmental Law, (ii) violate any applicable Environmental Laws, (iii) constitute a violation or non-compliance with any Environmental Permit or (iv) increase the risk of a Release of any Hazardous Substance (as such terms are defined in the Environmental Compliance and Indemnification Agreement). If required by any Order of a State or Federal Agency, the Company shall undertake and complete all investigations, studies, sampling and testing and all removal or remedial actions necessary to contain, remove and clean up all Hazardous Substances that are or may become present at the Facility and are required to be removed and/or remediated in accordance with all applicable Environmental Laws and all Environmental Permits. The Company shall allow the Agency, its officers, members, employees, agents, representatives, contractors and subcontractors reasonable access to the Facility during regular business hours of the Company for the purposes of ascertaining

the environmental conditions at, on or in the vicinity of the Facility, including, but not limited to, subsurface conditions. If at any time the Agency obtains any notice or information that the Company or the Facility or the construction, equipping, use or operation of the Facility may be in violation of an Environmental Law or in non-compliance with any Environmental Permit or standard, the Agency may require that a full or supplemental environmental inspection and audit report with respect to the Facility of a scope and level of detail reasonably satisfactory to the Agency be prepared by a professional environmental engineer or other qualified environmental scientist acceptable to the Agency, at the Company's sole cost and expense. If necessary to determine whether a violation of an Environmental Law exists, such inspection shall also include subsurface testing for the presence of Hazardous Substances in the soil, subsoil, bedrock, surface water and/or groundwater. If said audit report indicates the presence of any Hazardous Substance or a Release or Disposal (as such terms are defined in the Environmental Compliance and Indemnification Agreement) or the threat of a Release or Disposal of any Hazardous Substance on, at or from the Facility, the Company shall promptly undertake and diligently pursue to completion all necessary, appropriate investigative, containment, removal, cleanup and other remedial actions required by any Environmental Law, using methods recommended by the professional engineer or other environmental scientist who prepared said audit report and acceptable to the appropriate federal, state and local agencies or authorities. For purposes of this Section, "Hazardous Materials" includes, without limitation, any flammable explosives, radioactive materials, hazardous materials, hazardous wastes, hazardous or toxic substances, or related materials defined in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (42 U.S.C. Sections 9601, et seq.), the Superfund Amendments and Reauthorization Act of 1986 (Pub.L. No. 99-499, 100 stat. 1613 (1986)), the Hazardous Materials Transportation Act, as amended (49 U.S.C. Sections 1801, et seq.), and in the regulations adopted and publications promulgated pursuant thereto, or any other federal, state or local environmental law, ordinance, rule, or regulation. The provisions of this Section shall be in addition to any and all other obligations and liabilities the Company may have to the Agency at common law or otherwise, and shall survive the transactions contemplated herein.

(c) The Company hereby covenants and agrees, at its sole cost and expense, to indemnify, protect, defend, save and hold harmless the Agency, its officers, directors, members, employees, agents and representatives acting in their official capacity, from and against any and all damages, losses, liabilities, obligations, penalties, claims, litigation, demands, defenses, judgments, suits, actions, proceedings, costs, disbursements or expenses (including, without limitation, attorneys' and experts' fees, expenses and disbursements, and attorneys' fees incurred to enforce the terms, conditions and provisions of this agreement) of any kind or nature whatsoever which may at any time be imposed upon, incurred by or asserted or awarded against the Agency, its officers, members, employees, agents (except the Company), representatives, contractors and subcontractors relating to, resulting from or arising out of (i) the environmental conditions at or on the Facility, (ii) the acquisition, construction, equipping, operation or use of the Facility in violation of any applicable Environmental Law for the storage, treatment, generation, transportation, processing, handling, management, production or disposal of any Hazardous Substance or as a landfill or other waste disposal site, or for military, manufacturing or industrial purposes or for the commercial storage of petroleum or petroleum based products, (iii) the presence of any Hazardous Substance or a Release or Disposal or the threat of a

Release or Disposal of any Hazardous Substance or waste on, at or from the Facility, (iv) the failure to promptly undertake and diligently pursue to completion all necessary, appropriate and legally authorized investigative, containment, removal, clean up and other remedial actions with respect to a Release or the threat of a Release of any Hazardous Substance on, at or from the Facility, required by any Environmental Law, (v) human exposure to any Hazardous Substance, noises, vibrations or nuisances of whatever kind to the extent the same arise from the condition of the Facility or the acquisition, construction, equipping, ownership, use, sale, operation, conveyance or operation thereof in violation of any Environmental Law, (vi) a violation of any applicable Environmental Law, (vii) non-compliance with any Environmental Permit or (viii) a material misrepresentation or inaccuracy in any representation or warranty or a material breach of or failure to perform any covenant made by the Company in the Environmental Compliance and Indemnification Agreement (collectively, the "Indemnified Matters").

(d) Notwithstanding the provisions of subsections (a), (b) and (c) hereof, the Company may in good faith contest the validity or the applicability of any requirement of the nature referred to in such subsections (a) and (b) by appropriate legal proceedings conducted in good faith and with due diligence. In such event, the Company may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom, unless the Agency shall notify the Company that by failure to comply with such requirement or requirements, the Facility or any part thereof may be subject to loss, penalty or forfeiture, in which event the Company shall promptly take such action with respect thereto or provide such security as shall be satisfactory to the Agency. If at any time the then existing use or occupancy of the Facility shall, pursuant to any zoning or other law, ordinance or regulation, be permitted only so long as such use or occupancy shall continue, the Company shall use its best efforts to not cause or permit such use or occupancy to be discontinued without the prior written consent of the Agency.

(e) Notwithstanding the provisions of this Section 5.8, if, because of a breach or violation of the provisions of subsections (a), (b) or (c) hereof (without giving effect to subsection (d) hereof), the Agency or any of its members, directors, officers, agents, or employees, shall be threatened with a fine, liability, expense or imprisonment, then, upon notice from the Agency, the Company shall immediately provide legal protection and/or pay amounts necessary in the opinion of the Agency and its members, directors, officers, agents and employees deem sufficient, to the extent permitted by applicable law, to remove the threat of such fine, liability, expense or imprisonment.

(f) Notwithstanding any provisions of this Section, the Agency retains the right to defend itself in any action or actions which are based upon or in any way related to such Hazardous Materials and Hazardous Substances. In any such defense of itself, the Agency shall select its own counsel, and any and all costs of such defense, including, without limitation, attorney and consultant fees, investigation and laboratory fees, court costs, and litigation expenses, shall be paid by the Company.

Section 5.9 Discharge of Liens and Encumbrances.

(a) The Company, throughout the Lease Term, shall not permit or create or suffer to be permitted or created any Lien, except for Permitted Encumbrances, upon the Facility or any part thereof by reason of any labor, services or materials rendered or supplied or claimed to be rendered or supplied with respect to the Facility or any part thereof.

(b) Notwithstanding the provisions of subsection (a) hereof, the Company may in good faith contest any such Lien. In such event, the Company may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom, unless the Agency shall notify the Company that by nonpayment of any such item or items, the Facility or any part thereof may be subject to loss or forfeiture, in which event the Company shall promptly secure payment of all such unpaid items by filing a bond, in form and substance satisfactory to the Agency, thereby causing such Lien to be removed or by taking such other actions as may be satisfactory to the Agency to protect their respective interests. Mechanics' Liens shall be discharged or bonded within thirty (30) days of the filing or perfection thereof.

Section 5.10 Depreciation Deductions and Investment Tax Credit.

The parties agree that, as between them, the Company shall be entitled to all depreciation deductions with respect to any depreciable property comprising a part of the Facility and to any investment, environmental, or tax credit with respect to any part of the Facility.

Section 5.11 Employment Opportunities, Notice of Jobs.

The Company covenants and agrees that, in consideration of the participation of the Agency in the transactions contemplated herein, it will, except as otherwise provided by collective bargaining contracts or agreements to which it is a party, cause any new employment opportunities created in connection with the Facility to be listed with the New York State Department of Labor, Community Services Division and with the administrative entity of the service delivery area created pursuant to the Job Training Partnership Act (PL 97-300) in which the Facility is located (collectively the "Referral Agencies"). The following link may be used to post jobs with NYSDOL:

<https://labor.ny.gov/businessservices/services/perm.shtm>. The following link may be used to determine the local administrative entity: <https://labor.ny.gov/career-center-locator/>. The Company also agrees that it will, where practicable, to first consider persons eligible to participate in the federal job training partnership (P.L. No. 97-300) programs who shall be referred by the Referral Agencies.

Section 5.12 Limitation of Liability of the Agency.

The liability of the Agency to the Company under this Leaseback Agreement shall be enforceable only out of the Agency's interest under this Leaseback Agreement, and there shall be no other recourse against the Agency, its officers, members, agents and employees, past, present or future, or any of the property now or hereafter owned by it or them.

Section 5.13 Prevailing Wage.

The Company acknowledges that the Agency's Financial Assistance constitutes "public funds" unless otherwise excluded under Section 224-a of the New York State Labor Law ("Prevailing Wage Requirements"). and by executing this Agreement, (i) confirms that it has received notice from the Agency pursuant to Section 224-a(8)(d) of the New York Labor Law and (ii) acknowledges its obligations pursuant to Section 224-a(8)a) of the New York Labor Law. Other than the Agency Financial Assistance estimates provided herein and disclosed to the Company, the Agency makes no representations or covenants

with respect to the total sources of "public funds" received by the Company in connection with the Project. If and to the extent that the Company determines that it is necessary and desirable to reduce the overall amount of "public funds" to be received by the Company in connection with the Project, the Agency agrees to work cooperatively with the Company to adjust the total amount of Agency Financial Assistance to be provided to the Company, which will include, but may not be limited to amending this Agreement and/or the PILOT Agreement (and if the term of the PILOT Agreement is modified, the corresponding terms of the Lease Agreement and Leaseback Agreement shall be modified accordingly).

ARTICLE VI

(a) Except as otherwise specifically provided in this Article VI and in Article VII hereof, the Agency shall not sell, convey, transfer, encumber or otherwise dispose of the Facility or any part thereof or any of its rights under this Leaseback Agreement, without the prior written consent of the Company.

(b) The Agency and the Company from time to time may release from the provisions of this Leaseback Agreement and the leasehold estate created hereby any part of, or interest in, the Land which is not necessary, desirable or useful for the Facility. In such event, the Agency, at the Company's sole cost and expense, shall execute and deliver, any and all instruments necessary or appropriate to so release such part of, or interest in, the Land and convey such title thereto or interest therein to the Company or such other Person as the Company may designate.

(c) No conveyance of any part of, or interest in the Land affected under the provisions of this Section 6.1 shall entitle the Company to any abatement or diminution of the rents payable by it under this Leaseback Agreement.

Section 6.2 Removal of Equipment.

(a) The Agency shall not be under any obligation to remove, repair or replace any inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary item of Equipment. In any instance where the Company determines that any item of Equipment (except for the fixtures) has become inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, the Company with the prior written consent of the Agency (which consent may not be unreasonably withheld but may be subject to such conditions as the Agency may deem appropriate), may remove such items from the Facility and may sell, trade-in, exchange or otherwise dispose of the same, as a whole or in part, provided that such removal will not materially impair the operation of the Facility for the purpose for which it is intended or change the nature of the Facility so that it does not constitute a "project" under the Act.

(b) The Agency shall execute and deliver to the Company all instruments necessary or appropriate to enable the Company to sell or otherwise dispose of any such

item of Equipment. The Company shall pay any costs (including counsel fees) incurred in transferring title to any item of Equipment removed pursuant to this Section 6.2.

(c) The removal of any item of Equipment pursuant to this Section shall not entitle the Company to any abatement or diminution of the rents payable by it under this Leaseback Agreement.

Section 6.3 Assignment and Subleasing.

A transfer in excess of 50% of the equity voting interests of the Company to a non-affiliate shall be deemed an assignment and require the prior written consent of the Agency, with such consent not to be unreasonably withheld, conditioned, or delayed. (b) Within thirty (30) days after the consummation of any such consolidation, merger or transfer of title, the Agency shall give notice thereof in reasonable detail to the Company and shall furnish to the Company, at the sole cost and expense of the Company, a favorable opinion of Independent Counsel as to compliance with the provisions of Section 6.6(a) hereof. The Agency promptly shall furnish such additional information with respect to any such transaction as the Company may reasonably request.
